

# Dartmouth Brain Imaging Center (DBIC)

## QA Report 64 CH

03112025

### Measurements

| Measurements                       | Value  |
|------------------------------------|--------|
| mean signal (mean)                 | 3242.0 |
| Signal to Noise Ratio (SNR)        | 232.7  |
| Signal to Fluctuation Ratio (SFNR) | 222.6  |
| Percent Fluctuation                | 0.04   |
| Drift                              | 0.46   |
| Radius of Decorrelation (RDC)      | 10.7   |
| Mean Ghost Percentage              | 2.240  |
| Standard Deviation (std)           | 1.43   |

### Signal
