

SECTION 01 32 33

PHOTOGRAPHIC DOCUMENTATION

1.1 PHOTOGRAPHIC DOCUMENTATION

- A. Construction Photographs: Unless otherwise approved by Dartmouth PM, Contractor must provide weekly construction photographs for review and reference by the Architect and Dartmouth PM.
- B. Construction Webcam: In addition to weekly construction photographs, some projects might require the installation and monitoring of a construction webcam. Please consult with Dartmouth PM to determine whether a construction webcam will be required as part of the project, for inclusion into the contract documents.
