

DIVISION 12

FURNISHINGS

1.1 DESIGN CRITERIA

- A. Comply with the Dartmouth Design and Construction Guidelines as established in this Section and through consultation with the Dartmouth Project Manager.

Should project scope include learning spaces, please refer to the Classroom thematic folder for more specific information regarding Furnishings.

1.2 GUIDELINES

A. Section 12 20 00 – Window Treatments

1. Drapery: Highly discouraged.
2. Offices: Roller shades, transparent fabric, typically manual operating with motorized shades acceptable in shared or public spaces.
3. Residential Halls: Roller shades or horizontal blinds typical; confirm with the Dartmouth PM and Residential Operations staff.

B. Section 12 30 00 – Laboratory Casework and Countertops

1. Casework and Countertops: Coordinate with the Dartmouth PM and Dartmouth EHS; accessible units required.

C. Section 12 48 00 – Entrance Mats

1. Type: Recessed and surface-mounted types allowed; discuss with Dartmouth PM.
