Wellness Wednesdays

March 9th: Savor the Flavor of Eating Right!

March is National Nutrition Month and this year's theme encourages us all to take time to enjoy food traditions and to appreciate the pleasures, great flavors, and social experiences food can add to our lives. Slow down, use all five senses, eat mindfully, enjoy traditions, and find delicious ways to prepare nutritious foods in order to "Savor the Flavor of Eating Right!" For more information, click here.

March 2nd: Wellness Benefit Deadline is 3/31

Don't forget! The deadline to submit any 2015 eligible expenses for the Wellness Benefit is March 31st (available to all employees on a Cigna Health Plan through the College). For more information, click here.

Discounted gym memberships are available at Alumni Gym, UVAC, and CCBA, and a waived sign up fee and free week trial are available at RVC. Learn more here.

February 24th: Get Active!

Physical activity is an important factor in the prevention of heart disease and stroke. The U.S. Physical Activity Guidelines for Americans recommend adults obtain 150 min/wk of moderate-intensity physical activity, 75 min/wk of vigorous-intensity physical activity, or a combination of the two. With warmer weather approaching, getting outside and walking can be a great way to be active! For more ideas to help you move and keep your heart healthy, visit the American Heart Association's Easy Tips to Get Active.

February 17th: Show Kindness!

Did you know kindness is good for your heart? This week is Random Acts of Kindness Week, so use these days to step up your acts of kindness and improve your health in the process. Here are 50 ideas to show kindness, and the positive side effects for your health.

February 10th: Eat Heart Healthy!

February is Heart Health Month and at the heart of good health is good nutrition. Making smart, healthy choices can help reduce your risk of heart disease and stroke. Learn more about the American Heart Association's diet and lifestyle recommendations here and try this heart healthy Vegetable Frittata recipe.

February 3rd: Wear Red Day 2/5!

Friday, February 5th is National Wear Red Day to raise awareness for the fight against heart disease and stroke in women. We encourage everyone to wear red, know your cardiovascular disease risk and learn more about steps you can take to prevent heart disease and stroke here.
Take a picture with your friends and colleagues that choose to wear red and send them to Wellness@dartmouth.edu so we can share on our website and Facebook.

**January 27: Stay Safe!**

Hitting the slopes? Don't forget your helmet! January is Winter Sports Traumatic Brain Injury Awareness Month so whether you lace up your skates for hockey or strap into your boots on the slopes, wearing a helmet should be a top priority. Click here to learn about concussions in the winter.
