We appreciate your support for and participation in our Library Instruction Program. We are constantly striving to improve the content of our instruction. To help us, please take a few moments to answer these questions. Include any significant feedback from your students as well as your own comments or observations.

Learning outcomes for the session:

- 1.
- 2.
- 3.
- 4.
- 5.

1. Did the learning outcomes meet your expectations?
2. Did the learning outcomes meet the needs of your students?
3. Did you receive fewer questions from your students about doing research in the library? If students asked questions, what did they ask?
4. What do you think is the contribution of this class to your students' papers/projects?
