The 2018 Strafford Ball will be held in South Strafford, Vermont. You have the option to order a catered meal including a vegetarian option and dessert*. Ball guests are also welcome to bring their own dinner and eat at the hall with those buying the catered meal; other dining options in the Strafford area are very limited. The hall is relatively small, so we limit the number of dancers to 96. A lottery will be held on August 15th if the number of applications exceeds 96. Some preference will be given to local dancers. Confirmation and an information packet will be sent by late August, or you will be notified that you are on the waiting list. Applications must be accompanied by full payment. We will refund 80% of your payment for cancellations received before September 16th, but cannot provide any refund for cancellations after that date.

To make it possible for younger dancers to participate, those under 30 get half price admission to the Ball. For anyone, financial assistance is available from the *Lucy J. Young Scholarship Fund*. Please indicate on the application if you would like to be considered for assistance; someone from the Ball Committee will contact you, so do not enclose payment.

To make a tax deductible contribution to the *Lucy J. Young Scholarship Fund for the Strafford Ball*, send a check payable to "Muskeg Music" to Greg Burke at the address below.
