Indicate if you request financial assistance from the Strafford Ball Fund ______

To contribute to the Ball fund, write a separate check to “Muskeg Music” with your tax deductible donation.
The 2012 Strafford Ball will be held in Fairlee Vermont. The Whistlestop Café in Fairlee will provide a full meal including dessert. Note your meal choice and seating preference on the reverse side. There are also other fine restaurants in the area. The hall is relatively small, so we limit the number of dancers to 96. A lottery will be held on August 15th if the number of applications exceeds 96. Some preference will be given to local dancers. Confirmation and an information packet will be sent by late August, or you will be notified that you are on the waiting list. Applications must be accompanied by full payment. We will refund 80% of your payment for cancellations received before September 16th, but cannot provide any refund for cancellations after that date.

Limited financial assistance is available from the Strafford Ball Fund. Please check the box on the application to request consideration for financial assistance (do not enclose payment). Someone from the Ball Committee will contact you. To contribute to the Ball fund, make a check out to Muskeg Music with your tax deductible donation and send it to Greg Burke at the address below.
