

1 & 8. INTENSIVE GREEK READING I: PLATO'S *CRITO*

Gil Rose, Swarthmore College, emeritus

Readings

I will require the students to own and bring is Plato's *Crito* in the Bryn Mawr Greek Commentaries series published by Hackett. I will expect them to bring some grammar text with them and nothing smaller than the Intermediate Liddell and Scott lexicon.

There will also be a course pack of assignments to be done before the Institute.
