

Statement of representations for IRS Form 8233

I was a resident of France on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by the U.S. government or by a university or other accredited educational or research institution in the United States to come to the United States for the purpose of teaching or engaging in research at Dartmouth College, which is an accredited educational or research institution. I will receive compensation for my teaching or research activities.

The teaching or research compensation received during the period from _____ to _____ qualifies for exemption from withholding of federal tax under the tax treaty between the United States and France. I have not previously claimed an income tax exemption under that treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on _____. The treaty exemption is available only for compensation received during a period of two years beginning on that date.
