

Statement of representations for IRS Form 8233

I am a resident of the Federal Republic of Germany. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am a professor or teacher visiting the United States for the purpose of advanced study, teaching, or research at Dartmouth College. I will receive compensation for my teaching, research, or study activities.

The compensation received during the period from _____ to _____ for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and the Federal Republic of Germany. I have not previously claimed an income tax exemption under that treaty for income received as a student, apprentice, or trainee during the immediately preceding period.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on _____. The treaty exemption is available only for compensation received during a period of two years beginning on that date.
