

Statement of representations for IRS Form 8233

I was a resident of USSR on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by the U.S. government, or by a university or other recognized educational institution in the United States for a period not expected to exceed two years for the purpose of teaching or engaging in research at Dartmouth College, which is a recognized educational institution. I will receive compensation for my teaching or research activities.

The teaching or research compensation received during the portion of the year from _____ to _____ qualifies for exemption from withholding of federal tax under the tax treaty between the United States and USSR. I have not previously claimed an income tax exemption under this treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or person.

I arrived in the United States on _____. The treaty exemption is available only for compensation received during a period of two years beginning on that date.
