Greetings to the human subject research community,

We are pleased to announce the initiation of the ‘Human Research Protection Program (HRPP) brown bag series’ on the first Tuesday of each month at noon.

Dates/Venues can be found here: http://www.dartmouth.edu/~cphs/docs/hrpp-brown-bag-series-dates-venues.pdf

We plan to start each session with HRPP related notices followed by open question/comment time.

**HRPP brown bag series:**

- Thanks to all contributors! The application for our human research protection program (HRPP) was mailed to the accrediting entity AAHRPP (Association for the Accreditation of Human Research Protection Programs) in late November. The next step will be communication from AAHRPP with questions; followed by a site visit (timing to be determined); followed by more questions; and ultimately (fingers crossed) a designation of accreditation for our human research protection program. Please visit the HRPP website for updates: http://www.dartmouth.edu/hrpp/

Stakeholders of the HRPP include:

- Research Team
- Research participants
- Institutional Officials
- SYNERGY
- CTO
- OSP, TTO, EHS, COI
- OCR
- Investigational Pharmacy
- Privacy Officers
- IRB members

Mark your calendars for the first Tuesday of each month at noon.

We look forward to seeing you! If you cannot attend you are welcome to send topics for 2017 sessions and note there will be plenty of further discussion related to AAHRPP.
Please RSVP to each event. If you cannot attend in person, let our office know and we’ll send you the link to “stream” the event from your PC/Laptop. (Send an email to the RSVP link for more information)

Thank you!
