

Dartmouth Alumni Ski Club

Dartmouth College has a history of being a leader in the world skiing for over 100 years. Skiers from Dartmouth, either undergraduates or alumni, have competed in every Winter Olympics since the start of the winter games and have long been a source of deep pride for the College. The Dartmouth Ski Team has been at the forefront of intercollegiate skiing from the beginning and is annually ranked as one of the top 5 teams nationally each year. After a 31-year NCAA team title drought, Dartmouth won the 2007 NCAA Men's and Women's Skiing Championships. This milestone marked the first NCAA team title for the College since 1976.

Beyond our Ski Team alumni who are active on the international and national stage in the sport of skiing, we know that many of our alumni are active skiers in their local areas whether recreationally or as master racers. We think it is likely that Dartmouth has more alumni "skiers" than other schools and we would like to capture that activity. To extend and build upon that tradition **The Dartmouth Alumni Ski Club** is being created.

Under the volunteer leadership of Bruce Sherman '53, plans are currently in development - depending on response - to schedule NASTAR races for members and their children at major resorts during holiday periods as well as après-ski events. Wearing the Dartmouth Alumni Ski Club patch will enable former friends and classmates as well those who have not yet met to identify one another and share in the Dartmouth skiing experience.

Please join us!!!

Annual dues are \$25 which will be donated to support the current Ski Team. To join you can either mail a check or donate on line. Be sure to make a note indicating "Alumni Ski Club Membership"
