Concentration Area: Independent Proposal

1. _____

2. _____

3. _____

4. _____

Notes:

1. One course must be a special topics course (60-69).
2. One course must be an advanced seminar (70-75) or one term of English 98 to satisfy the culminating experience requirement. This course cannot also satisfy any course group requirement. It may be part of the concentration area.
3. No substitute courses are permitted within the modified major
4. Courses from other departments and programs may not be prerequisites to the major in their home department or program.
5. At least one, and no more than two, of the courses from other department of programs must form part of the independent proposal for a Concentration Area.
