

EPR BIODOSE 2015
Hanover, New Hampshire
October 5 - 8, 2015

Sponsorship investments for this meeting provide an opportunity to reach a large number (about 250) of very relevant individuals and institutions with improved knowledge and access to your products. This will include scientists involved with aspects of ionizing irradiation, especially unplanned exposures to radiation and EPR sciences. The physical arrangements for the meeting will provide maximal interactions with the participants, especially at breaks and during the poster sessions which will occupy a significant part of the program. In addition all registrants will be together for all of the meals and all of the social events (which will occur on all evenings except for the one free evening). If you have questions or suggestions, please do not hesitate to contact me directly.

Hal Swartz (Harold.swartz@dartmouth.edu)

SPONSORSHIP LEVELS

Sponsors at all levels will be recognized in the Conference Program. The sponsorship level will determine the size of your company logo. Please check your preferred sponsorship level (all levels require at least one paid conference registration):

_____ \$750 Commercial poster

_____ \$1500 **Bronze Level Sponsor** - regular size booth and an 1/8 page acknowledgment in Conference Program.

_____ \$3000 **Silver Level Sponsor** - double sized booth, 1/4 page acknowledgement in Conference Program and recognition as a co-sponsor of a social event or your company may send an additional representative to attend/speak at the conference.

_____ \$5000 **Gold Level Sponsor** - double sized booth, ½ page acknowledgement in Conference Program and recognition as a sponsor of a social event or your company may send 2 additional representatives to attend/speak at the conference.

_____ ≥ \$10,000 **Platinum Level Sponsor** - acknowledged as a partner in the meeting. Special arrangements as agreed upon mutually.

Conference staff will contact you to discuss specifics of your sponsorship and arrange details for your company logo.
