F&A Divisional Overview:
Launched in May 2016, The Dartmouth Action Plan for Inclusive Excellence highlights the need to create a community at Dartmouth in which difference is valued, where each individual’s identity and contributions are treated with respect, and where differences lead to a strengthened identity for all.

The F&A Division is committed to our role to create a more inclusive and diverse Dartmouth. We have developed a set of actions for 2017-2018 to strengthen these four areas:

- Work Process and Communication
- Professional Development
- Client Service/Outreach
