To waive the DSGHP coverage for the 2016-2017 plan year:

2. At the top right corner of the screen, click 'Student Login'.
3. Your user name is your full Dartmouth College email address.
4. Your temporary password begins with ‘00’ followed by your 7-alphanumeric Dartmouth College student ID/Net ID number. (Your ID will start with “F” or “D”)
5. You will be prompted to reset your password the first time you log in. A secure link will be sent to your school email address to complete the process. Once the password is reset you will not receive a prompt again.
6. Go back to www.gallagherstudent.com/dartmouth, and on the left toolbar, click 'Student Waive'.
7. Select the red "I want to Waive" button. Please have your current health insurance ID card ready as you will need this information in order to complete the waiver form.
8. Once you have completed the waiver form, print or write down your reference number. Receipt of this number only confirms submission, not acceptance, of your form.

*If a waiver form is not submitted by July 1, 2016, late fees will be applied to the student’s DA$H account (see below).

*If an online waiver form is not submitted by August 31, 2016, a student will not be permitted to waive until the first mid-year cancellation date of December 31, 2016.
