Why Choose the DSGHP?

- Lower deductibles, copayments, out-of-pocket maximums, and premiums as compared to the lower cost options offered through the Exchanges/Marketplaces.
- Unlimited lifetime maximum.
- Worldwide coverage for care including medical evacuation and repatriation.
- Complies with a general provision of the Patient Protection and Affordable Care Act (PPACA).
- Emergency medical assistance through ISOS while traveling abroad.
- Dental Savings program through Basix.
- Prescription drug benefits for the campus pharmacy and nationwide participating pharmacies.
- Optional additional coverage for a student’s spouse, domestic partner, and/or children.
- In most cases, Financial Aid and loans can be used to pay for part or all of the DSGHP premium.
- Coverage for injuries sustained in NCAA sanctioned and club sports.
- The DSGHP is purchased through Dartmouth College at preferred pricing. Though there is no premium tax credit (subsidy) available, there are also no tax implications.
- On-campus assistance for eligibility, claim submission, and coverage details.

Dental Savings Program

The cost of dental care is a major concern to nearly everyone! The DSGHP has incorporated the Basix Dental Savings Program. As part of your membership in the DSGHP, you automatically have access to the Basix Dental Savings Program. Basix contracts with dentists who agree to charge a reduced fee to individuals enrolled in the DSGHP. You must pay the dental fees at the time of service to receive the negotiated rates.

It is important to understand that the Dental Savings Program is not a dental insurance. Because it is a discount program and not an insurance, there are no lifetime maximums, exclusions, or claim forms to fill out.

Savings vary depending upon the type of service received and the contracted dentist providing the service, but can be as high as 50%!

Full details of the program can be viewed at:

http://www.basixstudent.com

Are You Participating in Sports?

Students participating in athletics should note the College provides a separate catastrophic insurance coverage with unlimited coverage for injuries sustained in a sanctioned intercollegiate or club sport, practice or game, for expenses incurred within two years of injury. The policy has a $90,000 deductible for intercollegiate and $30,000 deductible for club sport injuries, which the DSGHP will process as any other medical condition. This coverage is subject to DSGHP deductibles, co-insurance, and out-of-pocket maximums.

Are You Traveling or Studying Abroad?

The DSGHP covers you during breaks, vacations, traveling, or studying abroad.

- When outside of the United States, you will likely be asked to pay for your medical care first and will then need to seek reimbursement. Covered expenses will be reimbursed at the out-of-network level.

As an added benefit the College provides a comprehensive program that provides emergency medical assistance with International SOS (ISOS). Services range from consultation by telephone, medical referrals, and legal aide, to full-scale evacuation by private air ambulance. The ISOS network of 5,000 employees, including multilingual medical specialists, operate 24 hours a day, 365 days a year from over 26 ISOS Alarm Call-In Centers around the world. Contact information may be found at:

http://www.internationalsos.com &
http://www.dartmouth.edu/~rmi/rmstravel/.

Please note: ISOS guarantees medical payment but expects reimbursement from your insurer.

Thinking of Waiving DSGHP Coverage? Before You Do, Consider the Following

Before assuming that you are covered adequately by another policy, evaluate its eligibility rules and levels of coverage in the Hanover, NH area.

- Will your current plan cover medical care beyond emergency services (i.e. doctor’s office visits, x-rays, prescription drugs, mental health, etc.) on and off campus?
- Does your plan cover you if you are studying abroad?
- Does your plan have doctors and hospitals near campus?
- Check the cost. Is the annual cost of the DSGHP less expensive than the cost of your plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Are there administrative pre-requirements, pre-certification, or Primary Care Physician referrals required under your current plan that may delay receipt of care?

DSGHP ID Cards

HealthSmart, the DSGHP’s third party claims administrator, will mail ID cards to all students enrolled in the DSGHP. These will be sent to the student’s Hinman mail box on campus in September. If you need your policy prior to receiving your ID card, please contact the DSGHP office.
