Health Service, Dick Hall's House, 7 Rope Ferry Road TELEPHONE: (603) 650-1423

JOHN H. TURCO, M.D.

Director

Dear Dartmouth Medical School Students,

We are writing to encourage your timely cooperation. The Health Service requires specific immunizations for state requirements and the Dartmouth Medical School requires a physical for off-site electives.

It is important for you to know that only those medical students who have met the Health Service requirements for immunizations and physical examinations will be allowed to participate in their Year One clinical assignments.

We strongly recommend that you take responsibility in completing these tasks before you arrive on campus. You will have less time to deal with this obligation after you arrive on campus when your schedule becomes full with other commitments.

If you have any questions, please let us know how we can be helpful to you.

Sincerely yours,

John H. Turco
Director
Dartmouth College Health Service

Sue Ann Hennessy
Assistant Dean for Student Affairs
Dartmouth Medical School
