Does your partner...

disrespect you in public or in private?
get angry if you spend time with others?
monitor your phone, texts, or social media?
prevent you from working, sleeping, studying, or taking care of yourself?
borrow your money and not pay you back?
insist this is what relationships are like?
claim your friends or family are trying to ruin your relationship?
blame you for problems in your relationship?
pressure you to have sex, hook up, drink, or use drugs?
destroy your belongings or property around you?
threaten to share personal information, spread rumors or hurt oneself or both of you?
