If you are a higher-income beneficiary, according to Medicare Income tables, you will pay an Income Related Monthly Adjustment Amount (IRMAA) for your Medicare Part D prescription drug coverage. The adjusted amount is determined by income information you have reported to the IRS.

If you are a member of the Dartmouth College Medicare Supplement (DCMS) Plan, you may be eligible to receive a reimbursement for the prior year’s Medicare Part D IRMAA payments you have made. Claims will be reimbursed on an annual basis, according to the Form SSA-1099 received from Social Security at the end of that year.

**Required Documentation**

Please submit the following documentation by February 15, 2016:

- A completed copy of the *Dartmouth College IRMAA Medicare Part D Reimbursement Claim Form*. Please provide one form per household.

- The *Social Security Form SSA-1099* issued to you and/or your DCMS covered dependent at the end of the CALENDAR YEAR, as proof of your Medicare Part D IRMAA payment for that year.
