

Affirmative Action

Applies to: All employees

Policy Statement:

Dartmouth operates under an affirmative action plan setting forth its procedures and objectives for equal employment opportunity and affirmative action. It does so both to be fair to new employees and candidates for employment and to conform to governmental requirements. Dartmouth's affirmative action plan aims to correct the underutilization of women and minorities—where it exists—in faculty, administrative and professional, and service positions.

Procedure:

The special assistant to the President for institutional diversity and equity is responsible for monitoring the implementation of the affirmative action plan.

Documentation:

Copies of the affirmative action plan are available at the Office of Institutional Diversity and Equity in 1 McNutt Hall.
