On Thursday, April 28th, the **HR & Staff Partnership** hosted an information reception in the Tindle Lounge of Thayer Hall. Participants shared their ideas and expressed interest in four focus areas that the Partnership has decided to concentrate on in the coming year. HR&SP members created displays and surveys to solicit ideas and participation in Outlets for Artistic Expression, Affordable Living in the Upper Valley, Personal & Professional Development, and Recognition and Incentive Programs. Of the employees who attended the event, several enthusiastically wanted to become involved with the developing programs.

Musical entertainment was provided by The Visitors (James Burger, Pamela Stamnas, and David Wheel). Dartmouth Dining Services donated cookies and beverages to the event, and The Hanover Inn provided a door prize of Brunch for Two, which was won by Pauline Angier of Financial Aid. The HR & SP members thank these people and organizations for their support of the event.

The **HR & Staff Partnership**, an organization of employees from departments all over the College working together with the Office of Human Resources to develop programs of interest to employees, recently celebrated its first anniversary. You can learn more about the group by visiting its website at <www.dartmouth.edu/~hrs/partnership/index.html>, or by going to the HR & Staff Partnership BlitzMail Bulletin.
