“Former Marine and Dartmouth President Jim Wright has written a concise military history of the United States with a focus on the veterans of our wars. It is empathetic, informed by his personal knowledge of the sacrifices and joys of military service, and deeply compelling. I know of no more ambitious work on how our nation cares for those who have borne the burden of her battles, nor one that achieves its goals so well. In this time of too many wars, it should be read by every American.”

—DR. JOHN NAGL, MINERVA PROFESSOR  
AT THE U.S. NAVAL ACADEMY AND RETIRED ARMY OFFICER

“This important book talks sense to the American people about our wars and their consequences. Engaging, wise, and filled with keen insights for all Americans, their military, and political leaders in particular.”

—RICHARD H. KOHN, PROFESSOR EMERITUS OF HISTORY  
AND PEACE, WAR, AND DEFENSE, UNIVERSITY OF NORTH  
CAROLINA AT CHAPEL HILL, AND CHIEF OF AIR FORCE  
HISTORY FOR THE USAF, 1981–1991

“Finally—a comprehensive book chronicling the journey of the American veteran... Wright’s book is required reading for anyone who wants to understand the wars and warriors of our past—and perhaps the wars and warriors of our future.”

—PAUL RIECKHOFF, FOUNDER AND EXECUTIVE DIRECTOR OF  
IRAQ AND AFGHANISTAN VETERANS OF AMERICA

The son of a World War II veteran, **JAMES WRIGHT** joined the marines at age seventeen and served for three years, primarily with the First Marine Brigade in Hawaii and Japan.
