

*Reproduction of Copyrighted Works by Educators and Librarians:*

<http://www.copyright.gov/circs/circ21.pdf>

This circular from the U.S. Copyright Office presents the entire drama of Congressional testimony, debate, and eventual dénouement (remember, *parody* is a protected fair use) in deciding what constitutes fair use in a classroom.

*How does all of this apply to continuing education, in-service training and patient education?*

<http://www.mclibrary.duke.edu/pubsupport/copyright/faq/#sum>

From the Duke Medical Center Library's *FAQs and Best Practices* for using copyrighted materials. Please note that the information found here are *general guidelines*. Fair use is always a case-by-case application of the limitations of copyright.

*Fair Use*

[http://fairuse.stanford.edu/Copyright\\_and\\_Fair\\_Use\\_Overview/chapter9/index.html](http://fairuse.stanford.edu/Copyright_and_Fair_Use_Overview/chapter9/index.html)

This is an extensive and clear guide to fair use prepared by the Stanford University Library as part of their *Copyright and Fair Use* guide.

*Author Rights: Tools and Resources for Scholars and Researchers*

<http://www.dartmouth.edu/~library/schcomm/authorrights.html>

From your supporters at the Dartmouth College Library. Includes tools for retaining rights, NIH Public Access Policy information, publishing contract addenda, etc.

*Compact for Open Access Publishing Equity*

<http://www.dartmouth.edu/~library/schcomm/authorrights.html>

If you are curious about how Dartmouth might support your publication in open access journals, this is the place to go.
