

# Friends of Dartmouth Hockey

Welcome to Big Green Hockey! The players and coaches would like to enlist your support by asking you to join the Friends of Dartmouth Hockey. As a Friend, you will be able to take part in post-game receptions in Smoyer Lounge where you will have an opportunity to visit with players, coaches, and other Friends. Smoyer Lounge is also open between periods for refreshments and snacks. More importantly, your contribution as a member of Friends will allow us to achieve and maintain an exciting, high quality brand of hockey to be enjoyed by all in the Upper Valley. These funds are used to subsidize recruiting, equipment, pre-game meals, and many other important aspects of a quality hockey program.

Join Friends of Dartmouth Hockey and be a part of the resurgence of Dartmouth Men's Hockey!
