Interested in Medicine?  
Looking for a meaningful way to spend your off-term?

*Apply for up to $4,000 in funding* to pursue an internship serving a community in need *in the U.S.* through the **Dartmouth Partners in Community Service Program (DPCS)**  
OR  
**Internationally** through the **Tucker Fellowship Program**!

**Spring Application Deadline: January 29**

Our interns have served all over the world doing medical volunteering and public health outreach.

**Examples of past Health-Related DPCS Internships: (Domestic)**

* Assisted in medical centers in Boston, New Hampshire, New York, and Maryland  
* Worked at Refugee Health Centers in Boston  
* Volunteered with Emergency Departments in Manhattan and Massachusetts  
* Worked with homeless healthcare clinics in Seattle and Honolulu

**Examples of past Health-Related Tucker Fellowships: (International)**

* Volunteered with outreach clinics in Guatemala, South Africa, and Uganda  
* Offered art therapy workshops in Russia and Chile  
* Volunteered with TB clinics in India  
* Taught workshops on reproductive health in Peru and Gambia  
* Assisted ophthalmologists in Ghana
If you are looking for a medical internship or fellowship experience this fall or winter, please blitz the DPCS or TF account with any questions or to make an advising appointment.

Stop by our **Walk-In Office Hours** on the second floor of the Tucker Foundation:

- **Monday:** 9:00-4:00
- **Tuesday:** 9:00-11:00, 2:00-4:00
- **Wednesday:** 9:00-1:00, 2:00-4:00
- **Thursday:** 9:00-10:30, 2:00-5:00
- **Friday:** 9:00-12:00, 1:00-2:00

We can help brainstorm internship/fellowship ideas, help with your application, and answer any questions you might have.

**Funding is available for every term!**
