Dartmouth College Fact Book

Appendix

Department Source:	Document/Data Source:
Office of Admissions and Financial Aid.	Annual Report of the Dean of Admissions and Financial Aid. Data from report run by IR on Banner Student
Office of Admissions and Financial Aid.	Annual Report of the Dean of Admissions and Financial Aid. Includes only undergraduate need- and non-need- based financial aid. SEOG = Supplemental Educational Opportunity Grants. Total Aid Awarded includes scholarships, loans, and employment. Average 3-term scholarship, loan, and employment are each computed only for students receiving that type of aid. The sum of the 3-term averages does not equal the Average 3-Term Total Aid because each is based on a different set of students. Average 3-term scholarship includes Dartmouth and Federal scholarships. Three-term averages are calculated by dividing the total aid amount by the number of recipients, and the average enrolled terms, and multiplying the result by 3. Prepared annually in October.
Office of the Dean of Graduate Studies.	Data from Report to the Council on Graduate Studies. Information retrieved by IR from Banner Student. Data maintained by Graduate Arts & Sciences registrar. Stipend support and FTE as reported by various graduate departments
