**Welcome to Dartmouth College.** We are pleased to have you join our community and look forward to the experiences and perspectives you will bring to campus.

Transfer students typically arrive for the fall term, and you will be notified of your fall term housing assignment during the first week of August. Room assignment notices will include your room number, telephone number, Hinman Mailbox number, and when applicable, the name, address, email and phone number of your roommate(s).

We will make every effort to consider the information that you provide on your housing application while making your assignment. When possible, we will assign you with a fellow transfer student, with an exchange student, or an older first-year student. It is our hope that the guarantee of housing during your first year at Dartmouth will help to integrate you with students familiar with the campus and the community. In doing so, we hope to aid your acclimation to life at Dartmouth.

You will receive a copy of the 2008-2009 edition of "Welcome Home" with your room assignment notice. Should you wish to take a look at the 2007-2008 edition of "Welcome Home," introducing you to the Office of Residential Life at Dartmouth and discover how our many departments can contribute to your residential experience on campus, it can be found at <http://www.dartmouth.edu/~orl/documents/first-year/welcomehome.pdf>.

Do not hesitate to contact our office if you have any questions about the housing assignment process. We can be reached by telephone at 603-646-3093, or via e-mail at: [Residential.Life@Dartmouth.edu](mailto:Residential.Life@Dartmouth.edu).

Good luck with the rest of the current term; and again, welcome to the Dartmouth community!

Sincerely,

Murray A. MacDonald  
Associate Director of Undergraduate Housing
