

BE A UGA!

GLAVY CRUZ '08

UGA, LALACS

I'm Glavy and I am from Lawrence, Massachusetts. On campus, I am an Academic Peer Advisor, Spanish drill instructor, involved with the Tucker Foundation, active member of La Alianza Latina and volunteer at the DHMC.

Being a UGA has helped me acquire useful skills that have been very applicable to other positions I've held around campus. Why did I become a UGA? Why not??!! You have the opportunity to interact with other students on a daily basis, you work with amazing people that are extremely supportive, and it's a position where you learn important skills that are vital for your undergraduate career at Dartmouth and beyond! So what are you waiting for? Apply today!! :)
