Selected Student Staff responsibilities and Other Information - 2009**

Brief Overview of C&R Housing period:

Students (except graduating seniors) move out of their spring term rooms on June 10, 2009. Beginning on June 11th, C&R Housing student workers clean and prepare all available rooms for Commencement and Reunion guests who start to arrive on June 12th. Room cleaning and key collection and distribution continue every day as guests arrive and depart. On June 21st, the last day of reunions, a final room cleaning is completed; this is essential because summer camp and conference guests move into some of the rooms that evening. In addition, rooms need to be ready for summer term students to move in on June 23rd. As a result, it is imperative that all C&R Housing student staff commit to working from June 11 through June 21, 2009.

Job Responsibilities:

The Commencement and Reunion Housing student staff will work in teams to provide a wide variety of services to Commencement and Reunion guests. Listed below is a sample of the major responsibilities of the student staff:

1. Clean and prepare rooms for Commencement and Reunion program guests.
2. Assist the building custodians with the preparation of public and common-use areas in the buildings used for Commencement and Reunion program guests.
3. Greet guests as they arrive in the residence halls.
4. Distribute, collect, and catalog room keys.
5. Serve as a problem-solver and trouble-shooter for guests with questions or concerns.
6. Report suspicious activities or behavior to the proper authorities.
7. Respond quickly and effectively to all emergencies.
8. Deliver requested supplies or items to buildings or guests' rooms.
9. Serve as a resource person to guests and program participants.
10. Represent the College in a mature, responsible and pleasant manner.

A more detailed job description will be provided to each student employee after the hiring process and during the Orientation session.

Remuneration: The rate of pay for students employed during Commencement & Reunion 2009 will be based on experience:

First Season - \$7.75/hr, Second Season - \$8.00/hr, Consecutive Season - \$8.25/hr

In addition, you will receive a meal allowance based on one meal per day, two staff polo shirts and, if needed, on-campus housing.

If your C&R Housing employment is terminated for any reason, you will forfeit your interim housing on campus and your meal allowance will be cancelled.
