<u>Post-doctoral Fellowship</u>	Jan. 12, 2007	Two-three years (\$38,000/yr)	
<u>Scientist Development Grant</u>	Jan. 12, 2007	Three years (\$66,000/yr)	For MD or PhD instructors and assistant professors (or equivalents), submitted in final year of post-doc or initial years of appointment.

**American Lung Association**

<u>Numerous post-doc and career awards</u>	Sept. 1, 2006	Two-three years (\$40-60,000/yr)	
--	---------------	-------------------------------------	--

**American Society of Hematology**

			Basic or clinical/translational research.
<u>International Fellowship Award</u>	Sept. 1, 2006 (letter of intent)	Up to two years (\$75,000/award)	MD, DO, PhD: for clinical or laboratory mentored research in another country.
<u>Scholar Awards for Fellows</u>	May 1, 2006 (letter of intent)	Two-three years (\$50,000/yr)	MD or PhD: for fellows with 2-6 yrs research training.
<u>Scholar Awards for Junior Faculty</u>	May 1, 2006 (letter of intent)	Two-three years (\$75,000/yr)	For tenure track assistant professors in first two years of appointment.

**Arthritis Foundation**

<u>Post-doctoral Fellowship*</u>	Sept. 1, 2006	Two-three years (\$50,000/yr)	
<u>Arthritis Investigator Award</u>	Sept. 1, 2006	Two-four years (\$75,000-90,000/yr)	MD or PhD; for transition from last years of fellowship to independent status. 80% time towards research.

<b><u>Cancer Research Institute</u></b>			<b>Immunology focus</b>
<u>Post-doctoral Fellowship in Cancer Immunology or General Immunology*</u>	Oct. 1, 2006 April 1, 2007	Three years (\$40,000 - 44,000/yr)	MD or PhD with less than 5 years post-doctoral research training.
<u>Investigator Award Program*</u>	March 1, 2007	Four years (\$50,000/yr)	For tenure-track assistant professors.
<b><u>Damon Runyon Cancer Research Foundation</u></b>			
<u>Fellowship Award*</u>	Aug. 15, 2006 March 15, 2007	Three years (\$43,000 - 46,000/yr or \$55,000-57,000/yr)	PhD with less than 1 year post-doctoral research training. Various options (less than 1 yr post-doctoral or 3 yr post-residency) for MD, DVM, etc.
<b><u>Helen Hay Whitney Foundation</u></b>			
<u>Fellowship Award* _</u>	July 17, 2006	Three years (\$43,500 - 46,600/yr)	MD or PhD with less than 1 year post-doctoral research training. For all areas of basic biomedical research, conducted in the U.S. or abroad.
<b><u>International Myeloma Foundation</u></b>			
<u>Junior Research Award*</u>	Aug. 31, 2006	One year (\$40,000)	MD or PhD. Applicants must complete post-doc or clinical fellowship by Aug. 1 of application year; 50%time towards proposed project.
<b><u>Irvington Institute for Immunological Research</u></b>			
<u>Junior and Senior Level Post-doctoral Fellowships in Immunology</u>	July 11, 2006	Two-three year (\$42,000-46,000/yr)	MD, PhD, or MD/PhD. Less than 2 or more than 3 years post-doctoral experience, respectively.
<u>Human Immunology Award</u>	July 11, 2006	Three years (\$45,000/yr)	MD or MD/PhD. Patient/disease-oriented research.
<b><u>Jane Coffin Childs Memorial Fund for Medical Research</u></b>			
<u>Fellowship Awards* _</u>	Feb. 1, 2007	Three years (\$37,000-41,000/yr)	MD or PhD. Applicants should have less than 1 year post-doctoral experience. Cancer research support.
<b><u>Leukemia &amp; Lymphoma Society</u></b>			
<u>Career Development Program: Fellowships and Scholar awards*</u>	Sept. 15, 2006	Three-five years (\$50,000-110,000/yr)	MD or PhD. Several options.

<b><u>Leukemia Research Foundation</u></b>			
<u>New Investigator Award*</u>	Feb. 13, 2006	One year (\$100,000)	Many restrictions: visit the website.
<b><u>Life Sciences Research Foundation</u></b>			
<u>Post-doctoral Fellowships *</u>	Oct. 1, 2006	Three years (~\$50,000/yr)	"...awards fellowships across the spectrum of the life sciences."
<b><u>NARSAD: the Mental Health Research Association</u></b>			
<u>Young Investigator Award *</u>	July 25, 2006	One-two years (\$30,000/yr)	MD, PhD, or PsyD, post-docs or assistant professors, basic or clinical research.
<b><u>National Institutes of Health</u></b>			
<u>Career Development Award Kiosk</u>			Opportunities galore!
<u>Ruth L. Kirschstein National Research Service Awards Fellowships</u>			Multiple offerings.
<b><u>PhRMA Foundation</u></b>			
<u>Informatics Post-doctoral fellowships or Research Starter grants</u>	Sept. 1, 2006	Two years (\$30,000-40,000/yr)	Post-docs and junior faculty, respectively (PhD and equivalent).
<u>Pharmacology/Toxicology Pre-doctoral, Post-doctoral fellowships or Research Starter grants</u>	Sept. 1, 2006	Two years (\$20,000, 30,000, or 40,000/yr)	Grad students, post-docs, and junior faculty, respectively (PhD and equivalent).
<u>Health Outcomes Pre-doctoral, Post-doctoral fellowships or Research Starter grants</u>	Oct. 1, 2006	Two years (\$20,000, 30,000, or 40,000/yr)	Grad students, post-docs, and junior faculty, respectively. Includes health care economics research.
<b><u>Sandler Program for Asthma Research</u></b>			
<u>Early Excellence Award</u>	Feb. 8, 2007	Three years (\$150,000/yr)	Assistant or early associate professors.
<b><u>Susan G. Komen Breast Cancer Foundation</u></b>			
<u>Post-doctoral Fellowship Research Program*</u>	Aug. 30, 2006	Two-three years (\$45,000/yr)	MD or PhD. Less than 5 years post-doctoral experience. Breast cancer research, epidemiology, and public health topics supported.
