

Intramural Funding Sources (DHMC, DMS, NCCC). Please note that funding details, including topic areas, deadlines, and investigator eligibility vary widely across agencies/foundations, and are subject to change. Please contact the administrator for additional resources and for updated and detailed information about the resources listed below. (updated in March 2005)

<i>Funding source</i>	<i>Administrator or Contact person</i>	<i>Fundable topic area (s)</i>	<i>Who is eligible to apply</i>	<i>Maximum funding</i>	<i>Funding time frame</i>	<i>Usual application deadline (dates can change!)</i>
Neuroscience Center	Barbara.L.Atherton@Dartmouth.edu 650-8561	Collaborative neuroscience research	Any NCD member, ask about membership	\$30,000	1 year	Annually April
Quality Research Grant Program	Lisa.Leary@Hitchcock.org	Increase quality of care, improve costs of care	DHMC employees	\$7,500	18 months	4 cycles per year
Hitchcock Foundation	Michael.Shoob@Hitchcock.org Karen Jones 653-1230	Projects serving as pilot studies for extramural applications	DHMC & DMS health & biomedical professionals	\$30,000	1 year	3-18-04 (3 cycles/yr, March, Aug, Dec, but dates vary)
Tiffany Blake Fellowship Hitchcock Foundation	Michael.Shoob@Hitchcock.org Karen Jones 653-1230	Clinical or basic research and educational activities. Evidence of strong mentoring required.	Residents or fellows. Typically last year residents or first year fellows	Full salary at PGY level	1 year	Annually September
Joshua Burnett Clinical Research Fellowship	Michael.Shoob@Hitchcock.org Karen Jones 653-1230	Career development of clinical research investigators. Evidence of strong mentoring required.	Junior faculty, residents, fellows; PhD or MD	Full salary (not necessarily PGY) + 25k for research	2 years (competing renewal for 3 rd year)	Annually September
Helmut Schumann Fellowship	Michael.Shoob@Hitchcock.org Karen Jones 653-1230	Development of clinical or teaching programs aimed at healthful living.	Senior faculty; MDs only	\$50,000 salary support	2 years	Annually August
Hitchcock Foundation Student Research	Michael.Shoob@Hitchcock.org Karen Jones 653-1230	Biomedical research. Evidence of strong mentoring required.	DMS medical students	\$2,500	1 year	Annually September

<i>Funding source</i>	<i>Administrator or Contact person</i>	<i>Fundable topic area(s)</i>	<i>Who is eligible to apply</i>	<i>Maximum funding</i>	<i>Funding time frame</i>	<i>Usual application deadline</i>
American Cancer Society Institutional Research Grant	Ralph.Czachowski@Dartmouth.edu 653-9000 Letha.Marquay@Dartmouth.edu 653-3619	Promising new cancer-related projects expected to serve as pilot studies for extramural funding applications	Junior (or unfunded) investigator	\$20,000 (pro-rated downward for shorter projects)	1 year	Annually April
The V Foundation (Jimmy Valvano)	Nancy.Speck@Dartmouth.edu Allen.Dietrich@Dartmouth.edu	Cancer research that has clinical applications as a near term goal	The NCCC Director must nominate the potential recipient	\$100,000	2 year	Annually
Samuel Waxman Cancer Research Foundation	Nancy.Speck@Dartmouth.edu	New research areas; mechanisms of pathogenesis; clinical therapeutics	The NCCC Director must nominate the potential recipient	\$100,000 w/ 15% additional overhead	2 year (3 rd yr may be approved)	Annually
Helen's Fund	Steve.Hopkins@Hitchcock.org	Pediatric research projects (e.g., summer projects)	Medical students and residents	2,000	1 year (or less)	Annually May
Hearst Fund for Perinatal Education	Steve.Hopkins@Hitchcock.org	Perinatal outreach education or perinatal outreach research, in alternating years	OB or pediatric faculty, especially those involved in outreach	Unspecified (can be substantial)	1 year, renewable up to 3 years	Annually May
DoM Education Committee	Blair.Brooks@Dartmouth.edu	Educational research, curriculum development, educational tools	Contact Dr. Brooks to assess eligibility	\$35,000	1 year	Annually June
DoM Small Grants Program	Jeff.Parsonnet@Hitchcock.org	Supports pilot research to support NIH grant applications	DoM faculty (preference to junior investigators)	\$30,000	1 year	Annually September
Rockefeller Center Scholars Program	Fayan.Nelson@Dartmouth.edu	Supports scholarly work: research assistants, travel, supplies, computer equipment, consultants	Assistant Professors in Social Sciences (watch for announcement in April)	\$3,000 (ten grants per year)	1 year	Annually June
Mosenthal Fellowship	Martha.McDaniel@Dartmouth.edu	Anatomic topics in research or education	Medical students who have completed their 3 rd or 4 th year	Equivalent to 4 th year stipend	Negotiable, usually ≥ 8 months	Annually

<i>Funding source</i>	<i>Administrator or Contact person</i>	<i>Fundable topic area(s)</i>	<i>Who is eligible to apply</i>	<i>Maximum funding</i>	<i>Funding time frame</i>	<i>Usual application deadline</i>
S.M. Tenney Fellowship	Mary.Durand@Dartmouth.edu	Research in academic department of DMS	Medical student; (preference to mentored students working in Dept of Physiology)	\$22,000	1 year	Annually March
Preceptorships & Research Assistantships	Jennifer.S.Schiffman@Dartmouth.edu 650-1797	Preceptorship or research in family medicine or related field. Preference to applications addressing underserved populations.	Medical Students	\$280/week	6-8 weeks	Annually March
Harmes Scholarship	Amanda.Bushor@Dartmouth.edu	Research in DoS	Junior DoS faculty	\$17,5000/year	3 years	October
Academic Enhancement DoS	Kerry.Ryan@Dartmouth.edu	Research, Education	DoS faculty	\$15,000	1 year	Anytime, needs chief's approval
