This information is accurate as of January 30, 2010. If you know of other shops I should visit, please share them with me. My personal email is vicki.bacon@gmail.com. The only shops included on this list are shops I have personally visited.

This has been a labor of love. I will continue to visit these shops and as I find more, I will add to this list. Eventually, it may become a useful list for all of Vermont and New Hampshire. Only time will tell....

I hope you enjoy visiting these shops as much as I've enjoyed visiting these shops. Please remember that recycling clothing saves money, supports local businesses, non-profits, and helps to save the environment.
