Request for a Travel Signature I-20 / DS-2019 Forms

Federal regulations require F-1 students to receive a travel signature from their immigration advisor every year. The Office of Visa and Immigration Services recommends that F-1 students get this signature every nine months, and J-1 visitors get the signature once each year. Having a valid signature is required by regulation, and can help to avoid questions and delays while traveling.

This travel signature verifies and confirms that you are in compliance with U.S. regulations, and are making normal academic progress toward the completion of your degree or program at Dartmouth College.

Please complete the following questions, and leave the I-20 form or DS-2019 form at the reception desk. We will confirm your information, and have the signed form ready for you within two business days. If you need the form sooner due to an urgent travel situation, please inform the person at the desk.
