

The Office of Visa & Immigration Services and the Office of Institutional Diversity and Equity (IDE) are partnering to look into ways we can better support the international employees and their families at Dartmouth College. To this end, we would like to invite all international employees and their spouses to a meeting to discuss needs, options, and programming opportunities. We will meet at 4:00pm on Monday, February 1st, in the IDE Conference Room on the 3rd Floor, Blunt Alumni Center.

To help us determine priorities and to structure our agenda, we would appreciate your response to the following questions no later than January 27th:

1) How long have you been at Dartmouth College?

2) Is your family here with you?

3) Do you feel there is a need for the College to offer more outreach and support to international employees and their families?

4) What sort of programming would you like to see offered to international employees and families? (examples might be outings or trips, reading groups, coffee hours....)

5) What are the top three un-met needs that you and/or your family face, working and living at Dartmouth College, with which our offices could possibly assist?

Please email: Carol.bushway@dartmouth.edu with your above responses, and also please let us know if you and/or your spouse can attend our meeting (Feb. 1st, 4:00pm, IDE Conference Room, Blunt Alumni Center).

Many thanks for your time!
