

Checklist for enrolling in Independent Research, PSYC 90, for laboratory or field research as part of a neuroscience major

Please print your name

Date checklist submitted

This checklist will guide you in preparing a successful request for approval for enrolling in independent research courses. It is intended to help you plan for the courses after conferring with your adviser.

- I have taken PSYC 6 or BIOL 34 as a prerequisite.
- I have taken PSYC 10 or BIOL 29 as a prerequisite.
- I have an advisor who will supervise my research/independent study.

Print name of the Advisor

Advisor Signature

- I am NOT counting PSYC 90 as an Elective towards the neuroscience major. You may, however, count it for your culminating experience.

Submit the Checklist to the PBS Department main office, Room 103 Moore Hall (which is open during normal business hours).
