Language Self Evaluation is a tool to assist us in pre-determining your expected class placement. We will interview you on the first day of the program to ensure your appropriate Rassias level placement. Please check the category which you think best represents your level of proficiency in the desired language (if you are unable to determine your proficiency, please call the ALPs office for assistance):

- I am a **RANK BEGINNER**, have not studied nor am able to communicate in the language.
- I have a **LIMITED KNOWLEDGE**, I can grasp a few words but cannot respond to questions.
- I can **EXCHANGE ADEQUATE INFORMATION** in everyday situations, but am uncertain in conversation.
- I have gained a **FAIRLY SOLID** command, but my speech is halting; I need to pause to formulate.
- I have a **GOOD COMMAND**, but I can't always understand the subtleties of the language.
- I am **PROFICIENT**, can converse relatively easily; am occasionally confused at conversational speed.
- I am at an **ADVANCED** level and have certain fluidity when I speak, although sometimes apply the wrong tense.

INFORMATION REGARDING TELEPHONE PLACEMENT INTERVIEWS: When enrolling for a language which requires a telephone placement interview, you must first submit the completed enrollment form to us. Your enrollment fee will be refunded if the telephone placement interview indicates the class is not appropriate for you.
