Dear Student:
Thank you for taking the time to complete this confidential and anonymous questionnaire. Your feedback helps assess and improve the effectiveness of teaching. Please note that the open-ended questions in Sections II and III provide you with an opportunity to comment in your own words on your experience in this course. Thoughtful and constructive comments on the professional content and delivery of the course are extremely helpful. Personal remarks not related to the educational experience are not appropriate.

Course Design and Effectiveness

1. I think the overall quality of the course was Strongly Agree Agree Neutral Disagree Strongly Disagree N/A
2. I learned a lot in the course.                          
3. I put a great deal of effort into the course.         
4. I was intellectually engaged in the course.           
5. The objectives of the course were clear to me.       
6. I found the course to be well organized              
7. The assignments reinforced my understanding of the course material
8. Comment on the aspects of the course that you think were most effective:
9. Comment on 1-3 aspects of the course that could be improved or enhanced:
10. How did you contribute to your own learning experience?

Faculty - Jane Doe

1. I think the overall effectiveness of the teaching was Strongly Agree Agree Neutral Disagree Strongly Disagree N/A
2. The professor set high standards                      
3. The professor explained central concepts clearly       
4. The professor challenged me to think critically about the course material
5. The professor was available for consultation outside of class

6. Comment on 1-3 things that the professor did well and should continue to do in the future:

7. Comment on 1-3 things that the professor should focus on to improve his or her classroom effectiveness:

8. Add any specific recommendations on how the professor is assessing the course work and giving feedback to students that you believe would be useful:

Discussion/Lab Integration

1. The discussion/lab/drill section was well integrated into the course structure

Student Initiated  NEW

✓ 1. Comment on the methods of evaluation chosen by the instructor, e.g. tests, papers and examinations and the workload expected of students.

✓ 2. Comment on the structure of the class, for example the mix between lecture and discussion.

✓ 3. How did this course influence your academic experience at Dartmouth?

Thank you for completing this form.
