INSURANCE REQUIREMENT GUIDE:

A Automobile Liability insurance is required for contractors/vendors where they transport Dartmouth property, transport Dartmouth employees or use of a vehicle is integral to the performance of the contract. The minimum required limit is \$1,000,000 combined single limit and the certificate must indicate that the vehicle is insured for business use. If the vehicle being driven on Campus requires a CDL license, the requirement increases to \$2,000,000, and if the vehicle is being used to carry more than 14 passengers, the requirement increases to \$3,000,000.

B Statutory limits are required. For those businesses exempt from NH WC State Statute, workers' compensation is waived. Employers' Liability limits are \$500,000 per each occupational accident/\$500,000 per each occupational disease and \$1,000,000 policy aggregate. If the contractor/vendor is performing hazardous activities such as building demolition, asbestos abatement, or hazardous waste clean-up, the requirement increases to \$1,000,000 per each occupational accident/\$1,000,000 per each occupational disease and \$5,000,000 policy aggregate.

C If the provider can satisfactorily document that their pollution liability coverage is contained in their General Liability policy, a separate Pollution Liability policy is not required.
