The Sweetest Council Ever - Winter Carnival Council 2012

Carnival Chairs' Note:

As the days count down to the start of Carnival and our snow melts away, we think everyone is wondering whether there will be enough 'winter' left in Carnival to challenge your friends to a human dogsled race, show off your sweet cross-country ski skills on the golf course, or actually take a polar-bear-style plunge. Nevertheless, your Carnival Co-Chairs are hoping you'll enjoy the no-freezing-required treats of the sweetest carnival ever, whether you choose to dance the night away in Candyland at Carnival Ball, build Gingerbread castles with a classic showing of *Winter Carnival*, or just stuff your face with cupcakes while enjoying the opening ceremony fireworks (that's our plan whether it's cold or not). May your path through Candyland be choc full of goodness as we unwrap the 101st Winter Carnival - Carnival in Candyland: The Sweetest Carnival Ever!
