Canine Policy for Dartmouth Skiway

Service dogs may accompany members of the general public and employees at the Skiway at all times. The limitations on access set forth below do not apply to service dogs.

Except as provided above, employees who are working and/or are at the Skiway for reasons related to their employment, are not permitted to bring or have dogs on the premises.

Dogs are permitted on-site subject to the following:

- All dogs are required to be leashed and under the control of an adult at all times. Dogs may not be left unattended (an adult must be present), or tethered to any object.

- Dogs are permitted only in the area of the parking lot during ski season or other events hosted at the Skiway. Dogs are not permitted on the snow surfaces of the Skiway—this includes but is not limited to race observation areas.

Individuals who bring dogs to the Skiway are expected to clean up after their dogs and dispose of waste in an appropriate manner.
