**Learn how at Dartmouth Skiway**

**March 11~12, 2017**

Learn to teach from Snowsports Professionals certified by the Professional Ski Instructors Of America & The American Association of Snowboard Instructors.

This Instructor Training course will give you the fundamentals necessary to teach and coach modern skiing and riding. You don't have to be a world class skier/rider; just have the ability to ski/ride the Skiway's blue square terrain comfortably and have the desire to share your passion for snow sports. The cost for the weekend is **\$99** per participant which includes lift access, lunch and instruction from 9:30AM-3:30PM both Saturday and Sunday. At the conclusion of the weekend participants will receive a certificate of completion and may be offered paid instructor positions for the 2017-2018 season.
