

SENIOR FELLOWSHIP

Application Timeline

NOTE: This timeline assumes a typical academic schedule: applying in the spring of junior year to begin a fellowship in the fall of senior year. If you wish to start a fellowship in a term other than fall of senior year, you **MUST** contact the Office of Undergraduate Advising and Research no later than the third week of the term **THREE** terms before you wish to begin the fellowship.

Fall of junior year (or earlier):

- Identify a primary advisor for the project
- Work with primary advisor to design the fellowship project
- Read the ORC section on Senior Fellowships

Winter of junior year:

- Do any background research or work necessary for the project
- Consult with faculty who might serve as secondary advisors or examiners for the fellowship
- Work on the written proposal and submit an initial draft to your primary advisor
- It is **STRONGLY** recommended that you make an appointment at the Office of Undergraduate Advising and Research to discuss your project and application (blitz: Undergraduate Research)

Spring of junior year:

- Complete the final draft of the proposal
- Order an official transcript from the registrar
- Get three letters of recommendation from faculty members (one letter must be written by your primary advisor)
- Submit the application on or before the deadline
- Prepare for the interview with the Committee on Senior Fellowships. Both the applicant and his/her primary advisor are required to attend the interview.

APPLICATION INSTRUCTIONS

Application Checklist

- Application form
- Written Proposal (pages of the proposal may be clipped together or stapled but NOT bound)
- Budget
- Official transcript (ordered from the registrar's office)
- CPHS approval (if necessary)
- Letters of recommendation from three (3) professors in signed and sealed envelopes
- Interview: scheduled for selected applicants following submission of application

Submit all application materials to the Office of Undergraduate Advising and Research, HB 6201.

***** Late applications will not be accepted *****

Guidelines for the Written Proposal

**** Must be NO MORE THAN 25 double-spaced pages (timeline & bibliography not included in page count)**

**** Proposal must be organized in sections with numbered subheadings as follows:**

1. Project description
 - state what the project is
 - explain why the project is important (for example, how the project will contribute to your academic development)
 - describe the project in detail, including methods
 - discuss relevant literature and/or previous work in the area done by you and by others
2. Preparation
 - describe how your background in academics and/or other areas has prepared you to do this project
3. Project outcome
 - specify what the actual final project will be (e.g. written thesis, film, musical production, etc.). There may be multiple components to the final project.
4. Justification
 - explain why you are applying for a senior fellowship rather than enrolling in existing courses
5. Academic plan
 - explain your academic plan if you are selected as a Senior Fellow
 - What courses would you take or audit and why?
 - Have you satisfied the requirements for graduation?
 - Do you intend to complete a major?
 - explain your academic plan if you are not selected as a Senior Fellow
 - How much of your project would you be able to accomplish?
 - What courses would you take?
 - describe your plans after graduation (discuss how the Fellowship relates to those plans)
6. Timeline: provide a specific timetable for the duration of the proposed Fellowship
7. Bibliography/references

Signature of Applicant \_\_\_\_\_ Date \_\_\_\_\_

~~~~~  
To be completed by ALL recommenders:

Please complete this form and attach a letter of recommendation. The letter should address:

- (a) What is your knowledge of this student's academic background and aspirations?
- (b) What is your estimate of how the project may enrich this student's academic career?
- (c) What is your evaluation of the feasibility and quality of the proposed project?
- (d) What is your sense of the student's ability to complete the work successfully?
- (e) Why would a Senior Fellowship be a better way for the applicant to spend senior year than taking courses in the existing curriculum?
- (f) FOR PRIMARY ADVISOR: What role will you play in the project?

In signing this endorsement, I indicate my support of the student in his/her application to be a Senior Fellow.

Signature of Recommender _____ Date _____

~~~~~  
**To be completed ONLY by the faculty member who will be the primary advisor for the fellowship:**

Please indicate the status of the project as it relates to the use of human subjects:

- \_\_\_\_\_ This project has approval from the Committee for the Protection of Human Subjects
- \_\_\_\_\_ This project is being submitted for CPHS approval
- \_\_\_\_\_ This project does not require CPHS approval

\* Note that the faculty advisor, not the student, is considered the Principal Investigator for any research project submitted to CPHS and is responsible for insuring compliance with CPHS guidelines.

In signing this endorsement, I indicate my willingness to act as the primary advisor to the applicant if he/she were to be appointed a Senior Fellow. I acknowledge: (1) the applicant has consulted me in the design of the project, (2) I have read the applicant's proposal, and (3) I endorse his/her application to be a Senior Fellow. I agree to provide guidance to the student throughout the project and will evaluate the student's progress on an on-going basis. I also agree to serve on the examining committee for the student's final project.
