Dean of Upperclass Students

January 2005

Greetings and Welcome Back -

Congratulations to all who did well academically last term. Keep up the good work! To those who need to improve, begin now. Take charge of this term - don't procrastinate. Please remember that each of you has the potential to be academically successful, so get started.

Thoreau is quoted as saying, "Go confidently in the direction of your dreams! Live the life you've imagined." I hope you'll adopt this quote. The goal is to graduate and people are more interested in that accomplishment than they are in the time it took to achieve. Embrace winter.

I always look forward to meeting with you, so please add me to your list of resources. I have open hours on Thursday mornings from 9am until 11am in 111 Parkhurst. For other times, please blitz me or our receptionist, Colleen Murphy, or call her at x62243 to schedule an appointment. I really do hope to see you.

Take care. Stay well. And have a great term. Peace.

Sincerely,

Sylvia T. Langford
