

Miguel Morales is a Senior Associate Director of Corporate Relations. He develops and executes a robust corporate engagement program targeting U.S. and multi-national corporations to deepen relationships and increase support from the industry. Miguel holds a Ph.D. in molecular biology and biochemistry, and was a postdoctoral fellow at NYU, a senior scientist at the Pasteur Institute and an Assistant Professor at the University of Notre Dame. Miguel brings over 15 years of experience focused on drug discovery for infectious diseases and project development in Global Health. He has authored over 30 peer-reviewed scientific publications and 2 book chapters.
