To apply for this opportunity, email the following to limitedfunding@dartmouth.edu: one-page description of your project idea; total amount of your funding request; current CV. Use "Institutional Project, Japan Foundation" as the email subject line.</p>	<p>Internal deadline: 11/06/20</p> <p>External deadline: 12/01/20</p>
St. Baldrick's Scholars	St. Baldrick's Foundation	\$330,000	<p>Career-development award for researchers in pediatric oncology. Must be within first seven years of initial independent full faculty appointment. St. Baldrick's offers multiple grant opportunities in each of its two annual cycles, but people may only apply to one program per cycle as the lead Principal Investigator.</p> <p>LIMITED OPPORTUNITY--INTERNAL APPLICATION REQUIRED Dartmouth may submit one letter of inquiry. To apply for this opportunity, email the following to limitedfunding@dartmouth.edu: one-page description of your project idea; total amount of your funding request; current CV. Use "St. Baldrick's Scholars" as the email subject line.</p>	<p>Internal deadline: 11/06/20</p> <p>External deadline: 12/04/20</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
St. Baldrick's International Scholars	St. Baldrick's Foundation	\$330,000	<p>Three years of pediatric oncology training at Dartmouth for researchers from low- and middle- income countries. The proposal must include a research project at the applicant's institution of origin. Two-year extension possible with significant progress. Applicants must be early-career and possibly hold a junior faculty-level position and must have held it for no longer than five years. Must have completed a pediatric oncology fellowship or two years of equivalent training. St. Baldrick's offers multiple grant opportunities in each of its two annual cycles, but people may only apply to one program per cycle as the lead Principal Investigator.</p> <p>LIMITED OPPORTUNITY--INTERNAL SUBMISSION REQUIRED Dartmouth may submit one letter of inquiry for this program. To apply for this opportunity, email the following to limitedfunding@dartmouth.edu: one-page description of your project idea; total amount of your funding request; current CV. Use "St. Baldrick's International Scholars" as the email subject line.</p>	<p>Internal deadline: 11/06/20</p> <p>External deadline: 12/04/20</p>

Cross-cutting/Multi-disciplinary				
Program	Funder	Amount	Description	Deadline
Innovation Grants	American Foundation for Suicide Prevention	\$125,000	For research on suicide from a variety of disciplines including psychiatry, medicine, psychology, genetics, epidemiology, neurobiology, sociology, nursing, health services administration, social work, and many others. Categories: Distinguished Investigator (associate professor or higher); Postdoctoral Research Fellowship (<6 years from doctoral degree, <3 years fellowship support); Standard Research (investigators at any level); Young Investigator (assistant professor or below, w/ mentor); Pilot (seed funding).	11/15/20
Policies for Action: Public Policy Research to Advance Racial Equity and Racial Justice	Robert Wood Johnson Foundation	\$250,000	To build the evidence base about how national, state, and local policies can improve racial equity in health and well-being in the United States. November 24 deadline is for a letter of intent.	11/24/20
Research Publication Grants in Engineering, Medicine and Science	American Association of University Women	\$35,000	For research projects that will culminate in scholarly publications. Open to women scholars conducting basic research in engineering, medicine or the physical or biological sciences and who have a doctorate degree in one of those fields. The grantee must publish their research in a scholarly publication and be listed as a primary author.	12/01/20
Post-Doctoral Fellowships	Council of American Overseas Research Centers Archaeological Institute of America	\$32,400	Two- to six-month fellowships at the American Center for Research in Amman, Jordan for post-doctoral scholars and scholars with a terminal degree, for research or publication projects relating to the Middle East. Proposed topics may be in any sub-discipline within the natural and social sciences or humanities, and may focus on antiquity, the medieval period, or the modern era. U.S. citizenship required.	02/01/21

Cross-cutting/Multi-disciplinary				
Program	Funder	Amount	Description	Deadline
Smart Farming Innovations for Small-Scale Producers	Bill & Melinda Gates Foundation	\$250,000	To develop digital-technology innovations for small-scale farmers, delivered through bundled farmer services and enabled by scalable digital and data platforms. Solutions should address challenges faced by small-scale crop and livestock producers in areas of agricultural advisory, farm management decision support, input supply, finance, insurance, market access and linkages. Challenges to address include: 1) low productivity driven by lack of access to information and services; climate change, weather variability and pest and disease outbreaks; 2) lack of access to tailored financial and insurance products, and 3) lack of access to and choice of market and offtake options.	02/25/21
JFNY Grant for Online Japanese Studies	Japan Foundation (New York)	\$2,500	For Japanese Studies initiatives that focus on exchanges via the internet. Types of projects this program can support: online symposium, seminars, and workshops; expansion of digital archives; creation of web contents; digital exhibitions, etc.	rolling
Grants for Arts & Cultural Exchange	Japan Foundation (New York)	\$5,000	For projects that will further the understanding of Japanese arts and culture within the 37 states east of the Rocky Mountains, plus Washington D.C. Successful projects generally take the form of performances, exhibitions, film screenings, and workshops. This grant also supports online projects related to Arts & Cultural Exchange that incorporate issues pertaining to the COVID-19 global pandemic such as virtual exhibitions, virtual performances, film streaming, online conference as well as webinars. Priority will be given to those projects that have secured additional funding from sources other than the Japan Foundation.	rolling
JFNY Grant for Japanese Studies	Japan Foundation (New York)	\$5,000	For projects that will enhance further understanding of Japan through academic exploration: e.g., conferences, colloquia, symposia, presentations, and lectures within the United States. Priority will be given to those projects that have secured additional funding from sources other than the Japan Foundation.	rolling

Arts & Humanities				
Program	Funder	Amount	Description	Deadline
Religion, Journalism & International Affairs Collaborative Programming Grants	American Council of Learned Societies	\$45,000	For collaborative projects with research and curricular strengths in journalism and communication and in the humanistic and social science fields concerned with the study of global religions (including, but not limited to, anthropology, area studies, history, languages and literature, political science, religious studies, and sociology). For interdisciplinary or cross-institutional collaborations that connect scholarship on religion to journalistic training and practice.	11/11/20
Rome Prize	American Academy in Rome	\$28,000	Full- and half-term academic-year residencies in Rome for innovative and cross-disciplinary work in the arts and humanities. Room, board and study or studio space. Full-term stipend is \$28,000, half-term is \$16,000. Disciplines: Ancient Studies; Architecture; Design; Historic Preservation and Conservation; Landscape Architecture; Literature; Medieval Studies; Modern Italian Studies; Musical Composition; Renaissance and Early Modern Studies; Visual Arts. Also see the list of affiliated fellowships.	11/15/20
First Book Award	Academy of American Poets	\$5,000	For a first book of poetry. The winning manuscript is published by Graywolf Press. Award includes an all-expenses-paid, six-week residency at the Civitella Ranieri Center in the Umbrian region of Italy, and distribution of the book to AAP members.	11/16/20
Case Studies Japan: Research Trip to Japan for Interdisciplinary Scholars and Graduate Students	Japan Foundation (New York)	\$50,000	For an interdisciplinary group of faculty members and graduate students at U.S. institutions to travel to Japan and conduct case study field research in the realms of the humanities and social sciences.	12/01/20

Arts & Humanities				
Program	Funder	Amount	Description	Deadline
Institutional Project Support Program - Small Grant Program	Japan Foundation (New York)	\$25,000	This program is designed to: (i) support institutions that face difficulties maintaining current levels of infrastructure for Japanese Studies in the U.S.; (ii) stimulate infrastructural interest in Japanese Studies at small and newer institutions without an established program of Japanese studies or those that lack personnel or resources; and (iii) provide support for particularly innovative programs that promote Japanese Studies.	12/01/20
Japanese Studies Fellowships	Japan Foundation (New York)	not specified	For scholars, researchers, and professionals to conduct research in Japan for up to short (up to 2 months) or long (2-12 months) periods. Projects must be in the humanities, social sciences and/or comparative research.	12/01/20
Public Art Learning Fund copy	New England Foundation for the Arts	\$2,000	DEADLINE EXTENDED For professional development opportunities for New England artists to strengthen their public art practices. Priority themes: - Removing barriers to access - Valuing geographic diversity within the region - Advancing the evolving field of public art - Specifically expanding an artist's public art practice.	12/14/20
Digital Extension Grants	American Council of Learned Societies	\$150,000	For digitally based research projects in all disciplines of the humanities and related social sciences. To advance humanistic scholarship by enhancing established digital projects and extending their reach to new communities of users.	12/15/20
New Professorships in Buddhist Studies	American Council of Learned Societies	\$300,000	For new teaching positions in Buddhist studies. The establishment of the position must contribute significantly to the institution. This has been taken to mean establishing a curriculum in Buddhist Studies where none has existed or where such a curriculum was in clear and urgent need of support.	01/08/21
Publication Subsidies	Chiang Ching-kuo Foundation for International Scholarly Exchange	\$10,000	For the publication of scholarly works on Chinese culture and studies. The publication may be in the form of a book or a monograph. Applications will be accepted for completed book manuscripts, but not for books in a series. Priority will be given to first book projects by junior scholars. There are two annual deadlines: September 15 and January 15.	01/15/21

Arts & Humanities				
Program	Funder	Amount	Description	Deadline
Conference/Seminar/Workshop Grants	Chiang Ching-kuo Foundation for International Scholarly Exchange	\$25,000	For conferences, workshops or seminars on subjects in Chinese Studies in the humanities and social sciences. There are two annual deadlines: September 15 and January 15, each for events to be held in the following six months.	01/15/21
Ambroggio Prize	Academy of American Poets	\$1,000	For a book-length poetry manuscript originally written in Spanish and with an English translation. The winning manuscript is published by the University of Arizona Press.	02/15/21
Harold Morton Landon Translation Award	Academy of American Poets	\$1,000	For a poetry collection translated from any language into English and published in the previous calendar year.	02/15/21
Responsive Grants on Religion in International Affairs	Henry Luce Foundation	not specified	To provide intellectual leadership, develop new paradigms for research and teaching, create new resources and networks, and enhance public understanding of and discussion about religion in the international sphere. Applications accepted on a rolling basis.	rolling

Social Sciences & Business/Entrepreneurship				
Program	Funder	Amount	Description	Deadline
Value of Safety	Lloyds Register Foundation	\$32,000	To explore how the economic value of safety is understood (including calculation of the financial cost of safety, versus the positive value accrued), and what evaluation processes are embedded in practice. Seeking a desk-based scoping study to understand and assess the status, and effectiveness, of current methodologies used to value safety, and to explore the opportunities to update and embed these. The work will cover a broad definition of safety, including safety of life and property both from an occupational and societal perspective. It will explore whether there is an unmet need around the process of calculating the value of safety, and the opportunities and potential for positive impact derived from an improved understanding and application of methodology.	11/20/20
Digital Extension Grants	American Council of Learned Societies	\$150,000	For digitally based research projects in all disciplines of the humanities and related social sciences. To advance humanistic scholarship by enhancing established digital projects and extending their reach to new communities of users.	12/15/20
New Professorships in Buddhist Studies	American Council of Learned Societies	\$300,000	For new teaching positions in Buddhist studies. The establishment of the position must contribute significantly to the institution. This has been taken to mean establishing a curriculum in Buddhist Studies where none has existed or where such a curriculum was in clear and urgent need of support.	01/08/21
Publication Subsidies	Chiang Ching-kuo Foundation for International Scholarly Exchange	\$10,000	For the publication of scholarly works on Chinese culture and studies. The publication may be in the form of a book or a monograph. Applications will be accepted for completed book manuscripts, but not for books in a series. Priority will be given to first book projects by junior scholars. There are two annual deadlines: September 15 and January 15.	01/15/21

Social Sciences & Business/Entrepreneurship				
Program	Funder	Amount	Description	Deadline
Conference/Seminar/Workshop Grants	Chiang Ching-kuo Foundation for International Scholarly Exchange	\$25,000	For conferences, workshops or seminars on subjects in Chinese Studies in the humanities and social sciences. There are two annual deadlines: September 15 and January 15, each for events to be held in the following six months.	01/15/21
Digital Innovations	Lloyds Register Foundation	\$130,000	For ideas to use emerging technology to provide global access to the collection of the London-based Heritage & Education Centre of the Lloyd's Register Foundation. The archive contains records on ships and shipping casualties from the eighteenth century up to the present. The Foundation's mission is promoting safety in all facets of the transportation industries.	02/28/21
Responsive Grants on Religion in International Affairs	Henry Luce Foundation	not specified	To provide intellectual leadership, develop new paradigms for research and teaching, create new resources and networks, and enhance public understanding of and discussion about religion in the international sphere. Applications accepted on a rolling basis.	rolling

Physical Sciences, Mathematics & Engineering				
Program	Funder	Amount	Description	Deadline
The Gordon and Betty Moore Foundation Fundamental Physics Innovation Awards	American Physical Society	\$75,000	To stimulate ideas on innovative ways in which emerging technologies can be used to address pressing problems in fundamental physics. Three programs:; Lectureship Awards (\$2,000); Visitor Awards (\$5,000–\$10,000); Convening Awards (\$25,000–\$75,000). There are three annual deadlines: March 15, July 15 and November 15.	11/15/20
Irrigation Innovation Consortium	Irrigation Innovation Consortium	\$100,000	For collaborative research that aims to accelerate the development and adoption of water and energy-efficient irrigation technologies, tools, and practices. Project teams should include partners from industry and from one or more IIC member universities (Colorado State, Kansas State, University of Nebraska-Lincoln, California State University-Fresno, and Texas A&M University). November 23 deadline is for a letter of intent.	11/23/20
Privacy & Trust Enhancing Technologies	NLnet Foundation	\$58,000	For privacy and trust-enhancing technologies that promote a fair and democratic society and an open economy that benefits all. Project results become available under an open source license. Aimed at providing people with new instruments that allow them more agency by keeping some private and confidential context and information private and confidential.	12/01/20
Collaboration Grants for Mathematicians	Simons Foundation	\$42,000	Funding for collaborative contacts between mathematicians. \$6,000 per year for five years for collaboration, travel and research of the awardee. The department will receive 20 percent indirect costs annually and \$1,000 per year to enhance the research atmosphere.	01/28/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
Career Development Award	Pancreatic Cancer Action Network	\$200,000	For independent junior faculty working on pancreatic cancer. Basic, translational, clinical or epidemiological research. Must be assistant professor, instructor, research assistant professor or equivalent as of July 1, 2021. Associate professors ineligible. Most recent doctoral degree within the past 11 years. MDs must have completed their most recent doctoral degree or medical residency within the past 11 years. Exceptions apply. Must have independent laboratory space.	11/20/20
Strategic Research Award	American Academy of Sleep Medicine	\$250,000	For proposals focused on these American Academy of Sleep Medicine goals: Public Awareness, Technology Innovation and Advocacy to Improve Patient Care. Technology Innovation area supports research on emerging technologies and their impact on the sleep field, and understanding how additional information from current sleep medicine procedures can be utilized to personalize patient care, would help strengthen knowledge on how best to harness new technology, and the data from it, to provide high quality patient-centered care. Relevant research domains are Artificial Intelligence/Machine Learning and Consumer Sleep Technology.	11/30/20
New Approaches to Integrating Molecular Surveillance into Malaria Control Programs	Bill & Melinda Gates Foundation	not specified	To identify new and innovative approaches to integrating malaria molecular surveillance into malaria surveillance and programmatic decision-making in malaria endemic countries. Proposals should target the use cases identified by Gates as ready or near-to-ready for programmatic deployment. While applicants from around the world are eligible, all proposals must include a principal investigator or co-investigator from a malaria-endemic country.	12/02/20
Aligning Science Across Parkinson's	Michael J. Fox Foundation for Parkinson's Research	\$9,000,000	For research focusing primarily on circuitry and brain-body interactions in Parkinson's disease, including genetic and neuro-immune contributors to disease. Informational webinar on October 28, 2020.	12/11/20

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
Patient Education	BioGen	not specified	Funding to an eligible institution or organization to support independent educational activities for patients or caregivers across a variety of disease areas, including: Amyotrophic Lateral Sclerosis, Multiple Sclerosis, Ophthalmology, Parkinson's Disease, Progressive Supranuclear Palsy and Spinal Muscular Atrophy.	02/15/21
Medical Education	BioGen	not specified	For institutions to support independent medical educational activities for healthcare professionals and researchers. Disease and focus areas include, but are not limited to: Amyotrophic Lateral Sclerosis, Multiple Sclerosis, Ophthalmology, Parkinson's Disease, Progressive Supranuclear Palsy, Spinal Muscular Atrophy and Stroke. There are four annual deadlines: February 15, May 15, August 15 and November 1.	02/15/21
General Grant	BioGen	not specified	For programs or projects that do not fit any of BioGen's other defined grant categories. Therapeutic areas of interest include but are not limited to: Amyotrophic Lateral Sclerosis, Multiple Sclerosis, Ophthalmology, Parkinson's Disease, Progressive Supranuclear Palsy, Spinal Muscular Atrophy and Stroke. There are four annual deadlines: February 15, May 15, August 15 and November 1.	02/15/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
Professional & Scientific Development	BioGen	not specified	For raining and development for medical professionals or researchers within Biogen's therapeutic areas of interest, including, but not limited to: Amyotrophic Lateral Sclerosis, Multiple Sclerosis, Ophthalmology, Parkinson's Disease, Progressive Supranuclear Palsy, Spinal Muscular Atrophy and Stroke. There are four annual deadlines: February 15, May 15, August 15 and November 1.	02/15/21

Graduate/Postdoctoral				
Program	Funder	Amount	Description	Deadline
Case Studies Japan: Research Trip to Japan for Interdisciplinary Scholars and Graduate Students	Japan Foundation (New York)	\$50,000	For an interdisciplinary group of faculty members and graduate students at U.S. institutions to travel to Japan and conduct case study field research in the realms of the humanities and social sciences.	12/01/20
Postdoctoral Fellowships for Basic Scientists and Clinical Neurologists	Parkinson's Foundation	\$140,000	For young scientists to study under a research mentor and supervisor. Open to all nationalities. - Basic Scientists: no more than five years from Ph.D. - Clinical Neurologists: M.D. or equivalent and no more than three years past residency	12/04/20
Physician Scientist Fellowship	Doris Duke Charitable Foundation	\$220,000	For research during the final years of subspecialty fellowship and to aid in the transition into an academic faculty appointment. The specific goals of the program are to: 1) support physician scientists in subspecialty fellowship to conduct an outstanding clinical research project; 2) ensure research time protection to enable development of research skills; and 3) facilitate strong mentorship relations. Applications strongly encouraged from individuals from groups underrepresented in biomedical research.	01/05/21
Innovation Grants	American Foundation for Suicide Prevention	\$125,000	For research on suicide from a variety of disciplines including psychiatry, medicine, psychology, genetics, epidemiology, neurobiology, sociology, nursing, health services administration, social work, and many others. Categories: Distinguished Investigator (associate professor or higher); Postdoctoral Research Fellowship (<6 years from doctoral degree, <3 years fellowship support); Standard Research (investigators at any level); Young Investigator (assistant professor or below, w/ mentor); Pilot (seed funding).	11/15/20

Graduate/Postdoctoral				
Program	Funder	Amount	Description	Deadline
Selected Professions Fellowships	American Association of University Women	\$18,000	<p>For women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. Must be U.S. citizen or permanent resident.</p> <p>Eligible master's programs:</p> <ul style="list-style-type: none"> - architecture - computer/information sciences - engineering - mathematics/statistics. <p>Fellowships in the following degree programs are restricted to women of color:</p> <ul style="list-style-type: none"> - master's in business administration (for second year only) - law - doctorate in medicine (third or fourth year only) 	12/01/20
Post-Doctoral Fellowships	Council of American Overseas Research Centers Archaeological Institute of America	\$32,400	<p>Two- to six-month fellowships at the American Center for Research in Amman, Jordan for post-doctoral scholars and scholars with a terminal degree, for research or publication projects relating to the Middle East. Proposed topics may be in any sub-discipline within the natural and social sciences or humanities, and may focus on antiquity, the medieval period, or the modern era. U.S. citizenship required.</p>	02/01/21
