Strategic Response				
Program	Funder	Amount	Description	Deadline
<a href="#">Research, innovation &amp; technology to address the spread of COVID-19</a>	IN-PART	not specified	Invitation to submit COVID-19-related research collaboration and commercialization opportunities to this industry network. Areas of interest: <ul style="list-style-type: none"> <li>- Long covid (fundamental research, diagnostics, as well as treatment and rehabilitation)</li> <li>- Rapid diagnostics</li> <li>- Therapeutics (particularly those addressing autoimmune and autoantibodies responses)</li> <li>- Next-generation vaccines (particularly those focusing on T-cell &amp; B-cell responses and those that avoid mutation hotspots)</li> <li>- Targeted drug delivery</li> <li>- Infection prevention &amp; control in public settings</li> <li>- Consumer healthcare products</li> <li>- Methods and technologies to measure and predict long-term immunity</li> <li>- Research on the impacts on society, psychology, and the environment</li> <li>- Preparing for the next pandemic</li> </ul>	06/07/21

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">1907 Trailblazer Award</a>	1907 Research	\$120,000	<p>For independent, early-career researchers in the brain and mind sciences for mental health. Projects must be grounded in the study of biological mechanisms underlying brain function, cognitive processes, and/or consciousness. For basic science and near-term applications such as disruptive technology and potential clinical applications. No more than 10 years from Ph.D. or from completion of residency/fellowships (for clinical scientists). Letter of reference required from department head.</p> <p>LIMITED SUBMISSION--INTERNAL APPLICATION REQUIRED  Dartmouth College may nominate two candidates (Dartmouth-Hitchcock may apply separately).  To apply for this opportunity, email the following to <a href="mailto:limitedfunding@dartmouth.edu">limitedfunding@dartmouth.edu</a>: one-page description of your project idea; total amount of your funding request; current CV. Use "1907 Trailblazer Award" as the email subject line.</p>	<p>Internal deadline 05/31/21</p> <p>External deadline 06/30/21</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">Medical Research</a>	W.M. Keck Foundation	\$1,000,000	<p>For high-risk, high-reward medical research projects which would not otherwise receive support from traditional funding agencies, and which have the capacity to spur ground-breaking new territory in the field or open entirely new pathways of work. For fundamental/basic science. Collaboration with investigators from other universities is viewed favorably.</p> <p>LIMITED APPLICATION -- INTERNAL SUBMISSION REQUIRED            Dartmouth Development Office may submit up to four concept papers.            To apply for this opportunity, email the following to <a href="mailto:LimitedFunding@Dartmouth.Edu">LimitedFunding@Dartmouth.Edu</a>:</p> <ul style="list-style-type: none"> <li>- one-page concept paper using the Foundation's guidelines <a href="http://www.wmkeck.org/component/content/article/214-grantprograms/shared/1482-concept-papers">http://www.wmkeck.org/component/content/article/214-grantprograms/shared/1482-concept-papers</a></li> <li>- total amount of your funding request</li> <li>- current CV</li> <li>- use "Keck Foundation — Medical Research" as the email subject line</li> </ul>	<p>Internal deadline 06/07/21</p> <p>External deadline 07/01/21</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">Young Investigator Grants</a>	Breast Cancer Alliance	\$125,000	<p>For clinical doctors and research scientists whose primary focus is breast cancer and who do not yet have their own major research support.</p> <p>Eligibility:</p> <ul style="list-style-type: none"> <li>- have not held a faculty position for more than four years following completion of their training, as of March 1, 2022;</li> <li>- have not been a principal investigator on an NIH R01 or equivalent national/international non-mentored award;</li> <li>- must dedicate at least 50% of their work effort to research.</li> </ul> <p>LIMITED APPLICATION -- INTERNAL SUBMISSION REQUIRED            Dartmouth may submit two applications.            To apply for this opportunity, email the following to <a href="mailto:limitedfunding@dartmouth.edu">limitedfunding@dartmouth.edu</a>: one-page description of your project idea; total amount of your funding request; current CV. Use "Breast Cancer Alliance - Young Investigator" as the email subject line.</p>	<p>Internal deadline 06/11/21</p> <p>External deadline 07/23/21</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">Grants</a>	Conservation Food and Health Foundation	\$20,000	<p>For research and projects that are of direct benefit to low- and middle-income countries. Areas of interest:</p> <ul style="list-style-type: none"> <li>- Improving ecological and environmental conditions in low- and middle-income countries;</li> <li>- Improving food and nutrition security, and natural resources and ecosystems;</li> <li>- Public health programs that are preventive rather than curative in nature.</li> </ul> <p>There are two annual deadlines for concept papers: January 1 and July 1.</p> <p>LIMITED APPLICATION -- INTERNAL SUBMISSION REQUIRED</p> <p>Dartmouth may submit one concept application per round. If a full proposal was invited from Dartmouth in the first round of a calendar year, the Foundation will not consider a second full proposal that year.</p> <p>To apply for this opportunity, email the following to <a href="mailto:limitedfunding@dartmouth.edu">limitedfunding@dartmouth.edu</a>: one-page description of your project; total amount of your funding request; current CV. Use "Conservation Food and Health Foundation" as the email subject line.</p>	<p>Internal deadline 05/31/21</p> <p>External deadline 07/01/21</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">Sloan Research Fellowships</a>	Alfred P. Sloan Foundation	\$75,000	<p>For early-career scientists and scholars in these or related fields:</p> <ul style="list-style-type: none"> <li>- chemistry</li> <li>- computer science</li> <li>- Earth system science</li> <li>- economics</li> <li>- mathematics</li> <li>- neuroscience</li> <li>- physics</li> </ul> <p>Must be tenure-track but untenured as of September 15 of the nomination year. Faculty position must carry a regular teaching obligation.</p> <p>LIMITED SUBMISSION -- INTERNAL APPLICATION REQUIRED.</p> <p>Each department may nominate up to three candidates. To apply for this opportunity, email the following to <a href="mailto:limitedfunding@dartmouth.edu">limitedfunding@dartmouth.edu</a>: one-page description of your project idea; total amount of your funding request; current CV. Use "Sloan Fellowships" as the email subject line.</p>	<p>Internal deadline 07/19/21</p> <p>External deadline 09/15/21</p>

Limited Application				
Program	Funder	Amount	Description	Deadlines
<a href="#">Science &amp; Engineering Research</a>	W.M. Keck Foundation	\$1,000,000	<p>For high-risk, high-reward science and engineering research projects which would not otherwise receive support from traditional funding agencies, and which have the capacity to spur ground-breaking new territory in the field or open entirely new pathways of work. For fundamental/basic science. **Cross-cutting/Multi-disciplinary**

<b>Program</b>	<b>Funder</b>	<b>Amount</b>	<b>Description</b>	<b>Deadline</b>
<a href="#">Pare Lorentz Documentary Fund</a>	International Documentary Association	\$25,000	Support for films about the appropriate use of the natural environment, justice for all, and/or the illumination of pressing social problems. Focus must be on challenging white supremacy. Project must be in production, having completed the bulk of research and development but still having substantial production and post-production related work and expenses remaining.	06/28/21

Social Sciences & Business/Entrepreneurship				
Program	Funder	Amount	Description	Deadline
<a href="#">Racial Equity Special Research Grants</a>	Spencer Foundation	\$75,000	For education research projects that will contribute to understanding and ameliorating racial inequality in education. Interest in research projects that are working to reimagine educational opportunities in a multiplicity of education systems, levels, settings, and developmental ranges and that reach beyond documenting conditions and paradigms that contribute to persistent racial inequalities. June 2 deadline is for the intent to apply form. Full proposals are due June 30.	06/02/21

Physical Sciences, Mathematics & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">Next-generation Data Infrastructure</a>	Facebook	\$50,000	For work on data infrastructure problems such as: <ul style="list-style-type: none"> <li>- techniques to optimize CPU usage</li> <li>- strategies to optimize physical layouts and data transfer bandwidth</li> <li>- techniques to address the challenges rising from data storage and processing across widely separated data centers</li> <li>- novel approaches in converging data wrangling, machine learning, and analytics</li> <li>- systems for testing and verification</li> </ul>	06/02/21
<a href="#">Statistics for Improving Insights, Models, and Decisions</a>	Facebook	\$50,000	For research on data science methodologies. Areas of interest include, but are not limited to: <ul style="list-style-type: none"> <li>- Learning and evaluation under uncertainty</li> <li>- Statistical models of complex social processes</li> <li>- Causal inference with observational data</li> <li>- Algorithmic Auditing</li> <li>- Performance Regression Detection and Attribution</li> <li>- Forecasting for Aggregated Time Series</li> <li>- Privacy-aware statistics for noisy, distributed data sets</li> </ul>	06/30/21
<a href="#">Create the Future Design Contest</a>	Tech Briefs Media Group	\$25,000	For product designs that either: 1) are not yet in commercial production at the time of entry, or (2) were introduced to the commercial market within the last 12 months of entry date. Categories: <ul style="list-style-type: none"> <li>- Aerospace &amp; Defense</li> <li>- Automotive/Transportation</li> <li>- Consumer Products</li> <li>- Electronics/Sensors/IoT</li> <li>- Manufacturing/Automation/Robotics</li> <li>- Medical</li> <li>- Sustainable Technologies/Future Energy</li> </ul>	07/01/21

Physical Sciences, Mathematics & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">Cottrell Scholars</a>	Research Corporation for Science Advancement	\$100,000	For faculty in astronomy, chemistry or physics whose first tenure-track appointment was in calendar year 2018. Requires a research plan that includes a significant fundamental research component; and an educational plan to address a significant problem in undergraduate or graduate science education.	07/01/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">Improving Postpartum Maternal Outcomes for Populations Experiencing Disparities</a>	Patient-Centered Outcomes Research Institute (PCORI)	\$15,000,000	For large randomized controlled trials and/or well-designed observational studies comparing multicomponent strategies to improve early detection of, and timely care for, complications up to six weeks postpartum for groups more often underserved or experiencing the greatest disparities in health outcomes, including Black, American Indian/Alaska Native, Hispanic, rural, and low socioeconomic status populations. Up to \$5 million for small studies and \$15 million for large studies. There will be an applicant town hall on May 13. June 1 deadline is for a letter of intent.	06/01/21
<a href="#">Greenwall Fellowship in Bioethics</a>	Greenwall Foundation	\$25,000	For early-career bioethics scholars to serve on a health- and medicine-related board at the National Academies of Sciences, Engineering and Medicine: <ul style="list-style-type: none"> <li>- Children, Youth, and Families</li> <li>- Food and Nutrition</li> <li>- Global Health</li> <li>- Health Care Services</li> <li>- Health Sciences Policy</li> <li>- Population Health and Public Health Practice</li> </ul> <p>Must have completed post-graduate work 2-10 prior to award.</p>	06/03/21
<a href="#">Burden of Community Acquired Pneumonia</a>	Pfizer	\$150,000	For evaluating the burden of community acquired pneumonia, including but not limited to pneumococcal pneumonia, as well as risk factors for and complications from disease.	06/09/21
<a href="#">Next Generation Leaders Council</a>	Allen Institute for Brain Science	not specified	Leadership-development program for early-career brain researchers. Annual honorarium and travel expenses to symposia and advisory council meetings. Eligibility: current postdoc or began as assistant professor in or after June 2019. Candidates from historically underrepresented backgrounds solicited.	06/24/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">Decoding Disparities QuickFire Challenge</a>	Johnson & Johnson Innovation - JLABS	\$200,000	For data-driven methodologies or technologies aiming to better detect, understand, or reduce the root causes of health inequities. Areas of interest: mental health, inflammatory bowel diseases, and cardiovascular disease.	06/25/21
<a href="#">Transformative Cancer Research Grants</a>	American Association for Cancer Research	\$400,000	For high-risk, high-reward cancer research from early- to mid-career investigators, which might not be funded through conventional channels.	06/29/21
<a href="#">Grants</a>	Mohamed bin Zayed Species Conservation Fund	\$25,000	For individual species conservation initiatives; to recognize leaders in the field; and to elevate the importance of species in the broader conservation debate. All plant, animal and fungi species eligible. There are three annual deadlines: the last days of February, June and October.	06/30/21
<a href="#">Mid-Level Career Development Award</a>	NASPGHAN Foundation for Children's Digestive Health and Nutrition	\$100,000	For NASPGHAN members who are pursuing research in pediatric gastroenterology, hepatology and nutrition and are at a mid-level in their career. Must have held a faculty appointment for at least six years but not have reached professor level.	07/01/21
<a href="#">Research Grants and Fellowships</a>	Paralyzed Veterans of America	\$150,000	For scientists working on breakthroughs directed toward a cure for paralysis, secondary health effects and technologies associated with spinal cord injury or disease. Four programs: 1) Basic Science 2) Clinical and functional studies of medical, psychosocial and economic effects, and interventions to alleviate them 3) Design and Development/Assistive Technology 4) Post-doctoral Fellowships	07/01/21
<a href="#">Kappa Delta Award /OREF Clinical Research Award</a>	American Academy of Orthopaedic Surgeons	\$20,000	To recognize manuscripts that represent a large body of cohesive scientific work generally reflecting years of investigation of musculoskeletal disease or injury. Manuscripts must be original and written for this award.	07/01/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">George Ferry Young Investigator Development Award</a>	NASPGHAN Foundation for Children's Digestive Health and Nutrition	\$150,000	To support research activities by junior faculty who have the potential for evolution to an independent research career in pediatric gastroenterology, hepatology or nutrition. Supports projects in the clinical or basic sciences to study the diseases of the gastrointestinal tract, liver or pancreas and nutritional disorders in children.  Must be a NASPGHAN member for at least two years. Have or will complete pediatric gastroenterology or basic post-doctoral training within 5 years of application. Full-time faculty position below the rank of Associate Professor. No current or previous NIH RO1, PO1 (or similar) or an NIH mentored grant such as a K08, K23, or equivalent Canadian or Mexican grant mechanisms.	07/01/21
<a href="#">Takeda Pharmaceutical Products, Inc. Research Innovation Award</a>	NASPGHAN Foundation for Children's Digestive Health and Nutrition	\$150,000	For innovative, high-impact research in pediatric gastroenterology, hepatology and nutrition.	07/01/21
<a href="#">Nestle Nutrition Research Young Investigator Development Award</a>	NASPGHAN Foundation for Children's Digestive Health and Nutrition	\$150,000	For clinical, quality improvement, translational or basic science research project relating to nutrition in infancy, childhood or adolescence  Must be a NASPGHAN member for at least two years. Have or will complete pediatric gastroenterology or basic post-doctoral training within 5 years of application. Full-time faculty position below the rank of Associate Professor. No current or previous NIH RO1, PO1 (or similar) or an NIH mentored grant such as a K08, K23, or equivalent Canadian or Mexican grant mechanisms.	07/01/21
<a href="#">Genomics of ASD: Pathways to Genetic Therapies</a>	Simons Foundation	\$400,000	For advancing understanding of the genetic basis of autism spectrum disorders and the molecular and cellular consequences of genetic risk, and to provide a foundation for the development of treatments for select genetically defined forms of the condition.	07/06/21

Biological Sciences, Medicine & Engineering				
Program	Funder	Amount	Description	Deadline
<a href="#">Pamela and Alexander F. Skutch Research Award</a>	Association of Field Ornithologists	\$10,000	For minimally invasive research into the life histories, especially social relations and reproduction, of little known birds of the continental Neotropics, including Trinidad and Tobago. Preference for studies expected to produce results that can be published in peer-reviewed scientific journals.	07/15/21
<a href="#">Damon Runyon-Dale F. Frey Award for Breakthrough Scientists</a>	Damon Runyon Cancer Research Foundation	\$100,000	For Damon Runyon Fellows in the fourth year of their fellowship, to complete their training under the mentorship of a leading senior scientist and follow their own bold ideas in cancer research. Eligibility: Damon Runyon Fellows selected in November 2017 and May 2018, including those who terminated their awards early to accept an independent academic faculty position or other funding.	07/15/21
<a href="#">Investigators in the Pathogenesis of Infectious Disease</a>	Burroughs Wellcome Fund	\$500,000	To support accomplished investigators at the assistant professor level to study pathogenesis. Mid-to-late assistant professor with an established record of independent research in a tenure-track position or its well-supported equivalent in non-tenure offering departments. People who will be promoted to Associate Professor by November 15, 2019 are not eligible.	07/16/21
<a href="#">Pilot Research Award</a>	American Gastroenterological Association	\$30,000	For independent investigators at any career stage researching new directions in gastroenterology- or hepatology-related areas.	09/02/21

Graduate/Postdoctoral				
Program	Funder	Amount	Description	Deadline
<a href="#">Greenwall Fellowship in Bioethics</a>	Greenwall Foundation	\$25,000	For early-career bioethics scholars to serve on a health- and medicine-related board at the National Academies of Sciences, Engineering and Medicine: <ul style="list-style-type: none"> <li>- Children, Youth, and Families</li> <li>- Food and Nutrition</li> <li>- Global Health</li> <li>- Health Care Services</li> <li>- Health Sciences Policy</li> <li>- Population Health and Public Health Practice</li> </ul> <p>Must have completed post-graduate work 2-10 prior to award.</p>	06/03/21
<a href="#">Next Generation Leaders Council</a>	Allen Institute for Brain Science	not specified	Leadership-development program for early-career brain researchers. Annual honorarium and travel expenses to symposia and advisory council meetings. Eligibility: current postdoc or began as assistant professor in or after June 2019. Candidates from historically underrepresented backgrounds solicited.	06/24/21
<a href="#">Research Grants and Fellowships</a>	Paralyzed Veterans of America	\$150,000	For scientists working on breakthroughs directed toward a cure for paralysis, secondary health effects and technologies associated with spinal cord injury or disease. Four programs: 1) Basic Science 2) Clinical and functional studies of medical, psychosocial and economic effects, and interventions to alleviate them 3) Design and Development/Assistive Technology 4) Post-doctoral Fellowships	07/01/21
<a href="#">Kappa Delta Award /OREF Clinical Research Award</a>	American Academy of Orthopaedic Surgeons	\$20,000	To recognize manuscripts that represent a large body of cohesive scientific work generally reflecting years of investigation of musculoskeletal disease or injury. Manuscripts must be original and written for this award.	07/01/21

Graduate/Postdoctoral				
Program	Funder	Amount	Description	Deadline
<a href="#">Create the Future Design Contest</a>	Tech Briefs Media Group	\$25,000	For product designs that either: 1) are not yet in commercial production at the time of entry, or (2) were introduced to the commercial market within the last 12 months of entry date. Categories: - Aerospace & Defense - Automotive/Transportation - Consumer Products - Electronics/Sensors/IoT - Manufacturing/Automation/Robotics - Medical - Sustainable Technologies/Future Energy	07/01/21
<a href="#">Damon Runyon-Dale F. Frey Award for Breakthrough Scientists</a>	Damon Runyon Cancer Research Foundation	\$100,000	For Damon Runyon Fellows in the fourth year of their fellowship, to complete their training under the mentorship of a leading senior scientist and follow their own bold ideas in cancer research. Eligibility: Damon Runyon Fellows selected in November 2017 and May 2018, including those who terminated their awards early to accept an independent academic faculty position or other funding.	07/15/21
