## Higher Education News

[At Some Colleges, Remote Work Could Be Here to Stay](#) - Some campus leaders now believe that flexible work-from-home policies will make or break their future hiring and retention efforts.

[Considering Work-From-Anywhere Policies for College Employees? Answer These 5 Questions First](#)

[Shared Governance Was Eroding Before COVID-19. Now It's a Landslide, AAUP Report Says.](#)

[The Pandemic Slowed Tuition Growth at Some Colleges. Will It Last?](#) - Sticker prices at top-ranked liberal arts schools stalled for a year but several are resuming increases.

[Retirement Benefits Return](#) - Institutions are resuming the retirement benefits they cut or stopped during the pandemic. Fights over the future of those benefits are being waged on some campuses.

[As Pandemic Eases, College Fundraisers Are Optimistic About Meeting Goals](#)

[Why Doomsday Hasn't Happened](#) - Most colleges averted financial disaster. But the pandemic will still have a lasting impact.

[Your Crypto Made This Possible](#) - Gifting cryptocurrency allows donors to avoid paying capital gains tax on earnings. Many institutions are more than happy to jump through hoops to make it happen.

[Colleges Face Reckoning as Plummeting Birthrate Worsens Enrollment Declines](#) - With demand falling, prices start to plateau; demand for transfer students to increase.

[How AI Is Infiltrating Higher Education](#) - As colleges' use of increasingly powerful AI-driven tools grows, so do questions about bias and accuracy.

[Is a Fair Title IX System Possible?](#) - After a decade of debate over campus sexual assault, the rules are about to be upended again.

[The New Order](#) - How the nation's partisan divisions consumed public-college boards and warped higher education.

[The Covid Precautions Colleges Should Take This Fall](#) - Vaccines will be key to a successful opening, but it would be a mistake to ignore other safety measures.

## [Tuition Discount Rates Reach New High](#) -

The pandemic exacerbated already-existing trends, pushing the average tuition discount rate for first-time undergraduates to 53.9% this year. Expect discounting to keep climbing even after the pandemic subsidies.

[Restarting Study Abroad](#) - Colleges grapple with resuming study abroad and with how to incorporate new State Department travel warnings about COVID-19-related risks into their planning.

[Preparing for a Crisis](#) - Colleges have made progress on building climate sustainability. Now they're looking to build climate resilience.

[Some Universities' Response to Budget Woes: Making Faculty Teach More Courses](#) - "Turning the thumbscrews" on professors ultimately hurts students, faculty complain.

[Should Competitive Colleges Admit More Students?](#) - A few experts on admissions and education professors say it's time. And a few colleges are growing.
