

Delivery Profile Setup

1. After logging into the Dartmouth Web Authentication, you will be in the **IRA home page**. Click your name on the right and go to **My Account**.

2. Select the **Delivery Options** tab and change the Devices to **Email** and click the **green plus** sign to add a new device.

3. Enter the information regarding the device as in the example below and ensure your email is correctly entered. Click **OK** when done.

Create Device

Name: Dartmouth Email

Category: Email

Device Type: HTML Email

Address/Number: Joe.H.Soap@dartmouth.edu

Help OK Cancel

4. Click on the **green plus** next to the **Delivery Profiles** to add a new profile.
